**3. DECLARATIONS OF INTEREST:**

**4. PLANNING APPLICATIONS:**

18/00675/TPO Works to trees to include cutting Sycamore regeneration back to previous stump level, coppice all Hazel and cut all trees along boundary of Cobwell Road to 4 foot at Land between Bridge Road and Cobwell Road Junction Broseley Wood.  
The Council objects to this proposal, subject to the agreement of the County Arboriculturist. This wooded area has barely recovered from the drastic cut of a few years ago and the Council would like to see it retained as woodland, as part of the break between the Broseley and Benthall. There appears to be no danger to passing pedestrians or traffic and hence no justification for further cutting. We would add that there is a need for some work subsequent to the earlier cut, to prevent cut material blowing/sliding onto the neighbouring footpaths.

18/00671/TCA Fell to ground level 1 No. Cypress and 1 No. Spruce within Severn Gorge (Part A) Conservation Area at Westholme, Bridge Road, Benthall.  
No objection, subject to agreement from the County Arboriculturist.

18/00513/TCA To coppice several trees with Broseley Conservation Area at Bridge Bank Cottage, 17, Bridge Road, Benthall.  
No objection, subject to agreement from the County Arboriculturist.
