

SOMERSET COUNTY BOWLS ASSOCIATION
AGM REPORT 2021
COUNTY COACH/CO-ORDINATOR

We have had two or three club bowlers asking about Coaching Courses, which at the moment are not going ahead. I am sure that Bowls England will make it very clear when the first courses in our area become available, until then, it is just a waiting game. All Counties need their Coaches, even at Level One, coaches can offer so much to new bowlers, and to those that feel they need a refresher after this long lay off has finished.
