## Attachment 1.2

## Explanation of significant variances in the accounting statements - AGAR Section 2

## Parish Council name: ULCOMBE PARISH COUNCIL

Please explain any variances of more than 15\% between the totals for individual boxes in Section 2. We do not require explanations for variances of less than $£ 200$; however, in some cases there may be 'compensating' variances which leave the overall total for a box relatively unchanged - e.g. where there was a major one-off project in one year (e.g. contribution to village hall extension of $£ 30,000$ ), but a totally different expense of a similar size in the next (e.g. purchase of playground equipment of $£ 28,000$ ). In such cases, it would be helpful to provide an explanation of movements within each box. We also ask you to explain any change where there is a movement to or from zero. Please either use the proforma below, or complete a separate schedule if more space is required.
