Cllr Weld for Camp Bestival

22/23/021 Minutes of the previous meeting held on Monday 23rd May 2022

It was **resolved** that the minutes of the meeting held on Monday 23rd May 2022 were an accurate record of that meeting and were duly signed by Cllr Barnes.

22/23/022 Unitary Councillor Report

The report was circulated prior to the meeting.

- a) The Homes for Ukrainians is taking up a lot of council time. There have been a few issues with hosts not being suitably matched and alternative hosts have had to be found.
- b) Dorset Council are working with Dorset Citizen's Advice Bureau (CAB) to offer advice and support on: money, debt and benefits; access to food; housing; support for children; mental health and wellbeing; energy, water, phone and broadband costs; employment; general help and other issues. There is a grant available and residents can either call 01305 221000 or contact Cllr Beddow directly.
- c) The Armed Forces Day flag flew outside County Hall in Dorchester on 20 June to highlight support and respect for the Armed Forces community.
- d) The Dorset Innovation Park has been very successful, especially the Battlelab element which has now gained global recognition. It has been asked how it can help locals and once this data has been collected it will be distributed.
- e) The Mount Pleasant Food Waste has been collected on Fridays rather than Wednesdays. This maybe due to teething problems as the Wareham Depot has employed lots of new crew. It was suggested that if changes like this are made it would be useful to notify residents by sending out postcards with the new information on.

- 22/23/023** **Planning Applications, Planning appeals or Tree Works**
P/HOU/2022/02605 - 5 Shaggs Cottages, East Lulworth, Wareham, BH20 5QP. To have an extension installed. **Granted.**
- 22/23/024** **Highways and Footpaths**
- a) **Bypass update**
 No update
- b) **Signage Improvement**
 Cllr Barnes has asked if the sign can be redesigned and it was agreed that it would be half the size by of the original proposed change, whilst keeping it square with the yellow background and the “S” bend triangle, this would make it smaller as requested by some councillors whilst giving us a brand new more visible sign without the “reduce speed now” underneath, it is a compromise on both sides as it needs to be kept small but as visible as possible. As the road layout hasn’t changed they cannot do a different design.
- 22/23/024** **Telephone Kiosk update**
 The outside of the kiosk at Shaggs has been painted by Cllr Barnes with the interior to be done soon. The paint was more difficult to clean as it was only painted about ten years ago.
- 22/23/025** **Camp Bestival**
 It was commented upon that the marshalls need to be better looked after and be fed. Last year there was no security overnight at Mount Pleasant. The production vehicles have been going through Wool instead of via the B3070. The Clerk has forwarded this information onto Wool Parish Council
- 22/23/026** **Dog Fouling**
 Cllr Barnes has done a very well written letter, to be distributed to all residents stating the problems regarding dog fouling. It was discussed that the letter might need to be a slightly more “blunter” and Cllr Lovelass has agreed to edit it. If another letter is necessary, then it would only be sent to householders with dogs.
- 22/23/027** **Bus Shelter Repair**
 This is on the Estate’s list of jobs to be done.
- 22/23/028** **Defibrillator Training**
 Two pads need to be replaced. It was agreed that it would be purchased by Stephen Pack and the Parish Council will reimburse him. Training will take place in September/October and residents will be encouraged to attend especially ones who live near the Shaggs.
- i) Camp Bestival have promised to donate £500 towards the cost of the defibrillator and £170 was raised from the Jubilee celebrations. Cllr Barnes will start a Justgiving page as festivalgoers might wish to donate. As there is enough money in the Parish Council account, it was proposed by Cllr Manual and seconded by Cllr Lovelass that the defibrillator should be ordered.
- 22/23/029** **Correspondence**
- a) Change of DAPTC email address. The address is now daptc@dorsetcouncil.gov.uk. **Noted.**
- b) Update for Operation London Bridge and Jubilee Beacon Certificate. Information on the timings of the Proclamations.
 It was agreed that it would be a good idea to have a book of condolence and a fountain pen. Before one is purchased, it will be checked that there isn’t already one at St Andrews. The Parish Council has received a certificate for taking part in the Queen’s Jubilee. The certificate will be printed off and will be kept with the minutes.
- c) Motions for DAPTC 2022 Annual General Meeting by 30 September. Motions need to be received by 30th September. The AGM will take place on Saturday 19th November at 10am. **Noted.**
- d) DAPTC E-News 1st July 2022. The census data from last year has now been published and is available. OFFICE FOR NATIONAL STATISTICS WEBSITE. **Noted.**

- e) Road Traffic Regulation Act, 1984 Temporary Traffic Management Order Various Roads, Purbeck Area Camp Bestival 2022. If you would like further information concerning these orders please call Dorset Highways' Traffic Team on 01305 221020.
This is the same as last year.
- f) DAPTC E-News 8th July 2022. Resources and communication materials regarding the cost of living crisis are now all in one place on the Dorset Council website. **Noted.**
