Thornhackett Parish Council - Speed Limit Survey

Thornhackett Parish Council is considering whether or not it should apply to Dorset Council for a 20 mph zone in the village of Thornford. Before progressing we are seeking individual views of residents to establish support for any such scheme.

We seek the views of individuals not households. To this end extra copies of this survey form will be available at Ellwoods Stores and online in PDF format.

Four options are being presented for consideration:-

1. A 20 mph zone from the Village Hall to Kings Road incorporating all roads enclosed in that area;

2. A 20 mph zone throughout the whole village between the eastern and western village signs;

3. A 20 mph zone throughout the whole village from the 40 mph signs just beyond Lake in the east and the village sign at the western edge of the village;

4. Leave the existing speed limits unchanged.

Please tick one box only

Option 1	20 mph zone in centre of village	
Option 2	20 mph zone between village signs	
Option 3	Extended 20 mph zone beyond Lake	
Option 4	Keep existing speed limits	

Please enter you name	
Please enter your postcode	

Please return your completed form to Ellwoods Stores (box provided). Alternatively return to the Clerk to the Council at 3 The Bungalows, Beer Hackett, DT9 6QR.

Survey closes 30th November 2026

We are collecting personal information for the sole purpose of ensuring that the responses we get are from individual residents in the village and will not be used to make contact with residents by any means including electronically. All paper records will be securely destroyed 12 months following the closure of the consultation.
