Rules

This has been arranged as a fun competition.

Each team has a player familiar with Aussie Pairs rules.

Most teams have 3 some have 4. If we have further people wanting to play we will add to the teams of 3 but no team will have more than 4.

Each team will need to elect a captain.

The captain will be responsible for making sure all players know when they are playing.

Players to arrive at least 15 minutes before games start.

All games to start at 11.00am (unless told otherwise).

All games will be 14 ends (no trial ends) all woods count on first end.

All completed cards must be placed in box below marked Aussie pairs.

Dress code is club or white shirt and navy blue below the waist.

All equipment to be put away at the end of games unless you are told otherwise.
