## News from St. Nicholas Church

**Morning Prayer** this month will be held at 9.30am at St. Nicholas on Tuesdays 3<sup>rd</sup> April and 17<sup>th</sup> April.

**Lent Lunch:** Our last Lent Lunch will be held at Foxes Earth on 4<sup>th</sup> April thanks to Pat and Keith Anderson. Pat is a very good cook and always provides us with some beautiful soups and usually some of her delicious cakes for a dessert.

**Easter** falls on 8<sup>th</sup> April this year and there will be a Family Service of Holy Communion at 9.30am, followed by Coffee.

**The Village Coffee Morning** will be on 11<sup>th</sup> April at 10.30-12.00 in the Village Hall, Grafty Green. Tea and coffee will be served and a selection of homemade cakes and scones. There is no charge for this but donations will be sent to charity at a later date.

**The Annual Parish Church Meeting** will be held on the 26<sup>th</sup> April, 2012 at St. Nicholas Church - 7.30pm for the Vestry Meeting followed on by the General Meeting. Do come and hear what has happened at your Church during the past year and about the plans for the future. i.e. the removal of four pews to create more space at the front of the Church and removal of the pew by the Font. There are also plans to create a kitchen and a toilet at the rear of the Church.

**The Queen's Diamond Jubilee:** On Saturday afternoon 2nd June, we are proposing to have a Footpath Walk followed by tea and cake. Times have yet to be agreed, so more next month.

### My walkabout cat

Two years ago I rescued two black and white kittens (Felix type) from the RSPCA (a brother and sister who had been abandoned in a warehouse). Unfortunately I lost the female last year when she was knocked down and consequently worry a lot when her brother doesn't come home for hours at a time. I would love to know where he goes so that Adrian (my husband) doesn't have to wander the streets looking for him.

We live in Woodcock Lane backing onto the fields, and whenever our cat leaves the garden he always heads in the direction of the orchard and fields at the bottom of the garden. He doesn't have a collar on as I am concerned he may become caught somewhere, but he is chipped in case of accidents.

If anyone sees him on his walkabouts, I should be really grateful if you could let me know where either by email on [SFrandon@aol.com](mailto:SFrandon@aol.com) or by telephone on 850556.

**Many thanks  
Frances**

## **Boughton Malherbe Parish Council Elections Thursday 3<sup>rd</sup> May 2012**

Boughton Malherbe Parish Council Elections are due to take place on Thursday 3<sup>rd</sup> May. BUT there needs to be a minimum of 6 candidates standing, otherwise there will be what is termed a "walkover". That is, no election at all, and those who stood for election, whether they be current councillors up for re-election or new candidates, will form the new Parish Council. Hardly democratic!

So, Boughton Malherbe Parish Council needs you! As you'll have read last month, it doesn't matter how much or how much or little time you have or what your background is. The important thing is that you care about your community enough to play a part in it, thereby ensuring that our Parish Council is representative of the parishioners it serves.

Nomination papers are available from Pat Anderson (01622 858350), or Janet Barnes at Maidstone Borough Council on 01622 602242. The forms have to be completed and returned by midday on 4<sup>th</sup> April at the latest.

Next month the magazine will appear a few days early. This is so that anybody standing for election can, if they wish, put in a few lines about themselves – electioneering at its finest!

There's not much time left, so go on, put yourself forward and stand for election. This will be your last chance for 4 years!

### **Firewatch**

With the magazine this month you should have received a 'Fire Fact Sheet' which hopefully many will find useful. In the sheet mention is made of 'emergency hammers' to keep in cars - these can be purchased from many outlets - Toolstation on Haselmere Trading Estate, Sutton Road, Maidstone have them in their catalogue at £2.53, Amazon have a price of £5.98, E-Bay numerous new at in between prices, Halfords £12.99. Obviously you need to satisfy yourself regarding quality and suitability etc. albeit they all look similar. Similarly, hi-visibility vests, fire extinguishers, fire blankets, smoke and carbon monoxide alarms can all be competitively sourced from the outlets mentioned and many others. Strangely the price at Screwfix has shot up from about £2.99 to £14.99 for the hammer!

## Village Hall News

Short Mat Bowling comes to Grafty Green! - Following my article in the March Malherbe Monthly, Chris Wheal offered his help in setting up a short mat bowling club in the village and, even better, has acquired a mat for us all to have a go on! So we've now arranged two "taster" sessions in the Hall for anyone who wants to see what it's all about.

Come along on Bank Holiday Monday, **9<sup>th</sup> April**, at **2.30** in the afternoon, or the following evening, Tuesday **10<sup>th</sup> April**, at **7.30**. Everything will be provided, free of charge, and you can see whether bowling is for you. (Wear clean flat shoes or slippers, or be prepared to play in stocking feet.)

If there is sufficient interest in forming a club then the Village Hall will finance the purchase of a mat and bowls for members to use. Do come along and try your hand with all the rest of us who have never handled a bowl before! No need to book, just turn up. Refreshments provided and good time guaranteed.

If you like the idea but can't get to either session, just call me and I'll let Chris know of your interest.

**Next**, a reminder of an event in the Hall on the morning of Saturday **21<sup>st</sup> April** (10.00 - 11.30)

Come and share your favourite picnic recipes and pick up some new ones. (If you can provide a sample of a recipe for tasting that would be fantastic.) The idea is to enhance the social side of our Jubilee celebrations on 4<sup>th</sup> June with this early gastronomic get-together.

On 4<sup>th</sup> June there will be a hog roast but we would like you to bring your own salads and 'side dishes'. It's a special occasion, though, so push the boat out with new variations of pies, flans, anti-pasta mista, salads, crudités, dips, breads, etc, picked up at this event.

Please contact Sue Burch in advance (tel. 850381 or email [burch1997@aol.com](mailto:burch1997@aol.com)) if you intend to come along, and let her know whether or not you have a picnic recipe to share.

**Finally**, we have a date for our long awaited, much anticipated, **Beetle Drive**. It's Saturday **28<sup>th</sup> April**. The last time a Beetle Drive was held in the Hall it was a riot, I'm told, so don't miss out! Do, please, put that date in your diary **now** ... (Go on, I'll wait) ...

Get your tickets from Rob at the Village Shop next time you call in, or contact Barbara Pearce on 850232. Doors open at 7:30. Ticket price (£6) includes a lavish ploughman's supper. (Bring your own drinks, there's no bar this time.) Never driven a beetle before? Nor have I, but there's a first time for everything!

So, lots to do and something for everyone this month, I hope. Do join in.

## Report from County Councillor Jenny Whittle

### **Reducing the speed limit on Liverton Hill**

I dread writing about this matter, as the proposal to reduce the speed limit on Liverton Hill has been beset by delays for which I can only apologise. By the time this article has gone to print, a statutory Traffic Regulation Order advising residents and motorists about the proposed speed reduction will have been advertised. The new 30mph speed limit if approved will stretch from the top of Liverton Hill straight

through to Grafty Green (but not the part from Platts Heath to Liverton Hill). On the basis that most if not all of the responses are positive, the speed limit will be introduced shortly thereafter.

### **A new speed indicator device in Grafty Green**

I have ordered a new speed indicator device for Grafty Green to encourage motorists to slow down and adhere to the speed limit. This is at the request of the Parish Council who will jointly fund the sign with me (from my Member Highway Fund).

### **Protecting Kent's roads**

With 15 parishes in my electoral Division, I have received numerous complaints about the ongoing problem of HGVs using inappropriate rural routes. KCC views this issue seriously and has been developing a Freight Action Plan that will seek to introduce a number of initiatives to mitigate the impact of lorries on Kent's roads. A few of the actions highlighted in the plan include:

- work nationally to develop a standard method of data sharing with the suppliers of devices and local authorities
- work with the Freight Transport Association to promote best practice
- develop a facility to provide information to businesses on most suitable routes
- investigate the possibility of a Lorry Watch scheme (where Trading Standards officers fine lorry drivers caught flouting weight and width restrictions and other road regulations).

The plan will be issued for consultation shortly and will be adopted as a strategic approach to tackling a problem that has menaced Kent's rural roads for too long.

### **2012-13 KCC Budget**

KCC has frozen its council tax precept for the second year running despite having to make £95 million savings and retaining eligibility criteria for adult social care to "moderate" - one of only a small number of authorities in the country that has not raised the threshold for accessing these services. Staff will also received a 1% pay increase after a two year wage freeze. KCC is also investing an additional £23m to

support the most vulnerable children in the county, including the 1500 children in our care system.

### **Kent Jobs for Kent Young People**

A new £2m fund to provide help for employers to offer apprenticeships for young people is currently being formulated by KCC. It is hoped that this funding will help support up to 1000 opportunities for school and college leavers and graduates and provide a vital first step for young people to gain meaningful employment. There are too many young people struggling to find work and this fund is desperately needed to support them find jobs. More details will be announced shortly.

## **Pat Anderson - Retires from Parish Clerk position**

As you're probably aware after 31<sup>st</sup> March I will no longer be the Parish Clerk for Boughton Malherbe, can't quite believe that I had been in the role for 7 years but now I realise it must have been the '7 year itch'! I would like to say a big Thank You to everyone for the flowers and gift voucher that I received at the last meeting on 20<sup>th</sup> March, it was completely unexpected. I would like to wish Chris King all the very best as the new Clerk, I'm sure she'll do a fantastic job for the Parish. Thank you once again.

**Pat Anderson**

-----

Pat Anderson took up the challenge to become Clerk to Boughton Malherbe Parish Council seven years ago. During that time Pat has worked tirelessly - even taking her laptop on holiday - for the Parish and in so doing has enhanced the quality of life for people living in the Parish.

The work load of the Parish Clerk has increased enormously in the last few years. Much of Pat's work has been battling with Maidstone Borough Council and Kent County Council as well as coping with an endless stream of E mails. By continuously chasing and chivvying Pat has achieved great results.

In addition to her chasing role Pat has spent much of her time "networking" with other clerks. Doing this she has put Boughton Malherbe firmly on the map. Thank you Pat for all your hard work and commitment to Boughton Malherbe. We all hope that Keith and yourself will enjoy your new found "free time."

**Robert Turner, Chairman, Boughton Malherbe Parish Council**

## **An Outdoor Sport for All Ages**

The outdoor bowls season runs from the end of April until the end of September. With free tuition available and only modest equipment costs, this is surely one of the best options for a healthy and social pastime. Suitable for all ages from 9 to 99, it is an enjoyable way of keeping fit and active.

Your local club is at Headcorn, the green is situated in Maidstone Road on the left just before reaching the village from Sutton Valence. It has one of the best bowling greens in the area. Headcorn is a very friendly and welcoming club with plenty of playing opportunities and a varied social calendar.

You are invited to come along and try it – alone or with a party. All you will need are some flat soled shoes with minimum tread pattern – we can lend you some bowls. To take advantage of this offer, please contact Roger Vowles on 01622 843560.

## The Grafty Gourmet

This is a very simplified version of a coconut curry. Ideal for those that do not keep a vast selection of spices in the cupboard. Sometimes, less is more. Certainly, its the nice little things in life, that go a long way. Simply serve with rice for a fantastically easy meal.

### Easy Chicken Coconut Curry - Serves 4

3 tablespoons curry powder  
1 teaspoon ground ginger  
2 tablespoons vegetable oil  
1 white onion, chopped  
2 cloves garlic, crushed  
4 chicken breasts - diced

1 small head cauliflower, chopped  
1 can unsweetened coconut milk  
1/3 cup chicken stock  
1 teaspoon salt  
1 teaspoon ground black pepper

1. Heat a saucepan over medium heat, add curry powder and ginger and heat for 1 minute, until fragrant. Add the oil, onions and garlic and cook until onions are soft. Stir in the chicken and cook for 10 minutes.
2. Add the cauliflower to the pan and pour in the coconut milk and chicken stock. Season with salt and pepper. Reduce the heat to low and simmer, stirring occasionally, for 30 minutes. Serve with rice.

### **The Final Frontier?**

Star Trek fans amongst you may think you know all about the final frontier. We are ending a term where all sorts of frontiers have been explored.

On Sunday 11th March I ran around the motor racing circuit at Silverstone. The idea of running a half-marathon had seemed a good one, but it was certainly a struggle for lots of participants with many falling by the wayside or needing assistance. I did complete the run, and many thanks to those of you who sponsored me. The money raised is being split equally between Sport Relief and our library project.

On Thursday 22<sup>nd</sup> March the children were exploring the sky with their kites. Children made kites during the day, then flew them high in the sky towards the end of it. For a donation of £1.50 or more the children were also able to bring their kite home at the end of the day, with money from our kite day also going to Sport Relief.

On Friday 23<sup>rd</sup> March some of the children were exploring the seas, as many of Tawny Owls headed off to the Isle of Wight for our Residential Adventure. Not only were we off on our travels exploring new places, but the children were be challenging themselves with climbing, abseiling, exploring tunnels and more. The children had an absolutely fantastic time tackling new challenges and making new friends with children from other schools.

As if that was not enough, the children have also been exploring space, thanks to the wonderful Observatory Centre's planetarium visit on Tuesday 20<sup>th</sup> March. As one child put it, "It was amazing and the man who did it was really funny. I learnt that you can fit about a million earths into the sun."

### **Easter Events**

The term ended with several Easter activities. The FUS organized and Easter Bunny's Treasure Hunt. For 50p children could choose a square, with a wonderful Easter Bunny to be won by the person that picked the square where the treasure was hidden. We shall let you know next month who was the lucky winner.

On Thursday 29th March FUS organized our annual Easter Egg Hunt. The children had to hunt for letters around the school, then put them all together to make a word or phrase. Everyone had great fun taking part, and children who contributed £2 were given an Easter Egg as a reward.

It was great to see so many parents and friends at All Saints on Friday 30th March as all of the children played their part in helping us to celebrate the wonderful Easter story. Well done to all of the children who played their part so well.

## **Celebrating Mothering Sunday**

This year we again held an Ulcombe School Friends' Dinner during the week before Mothering Sunday. All parents, grandparents and friends from the wider community were welcome to come in for a roast beef dinner at 1pm, when older children looked after diners by waiting at tables and making sure that no one went thirsty. The Mothering Sunday Assembly followed, when all of the children showed off some of their work and helped us to celebrate what mothers do for us.

Put 1pm on Friday 1<sup>st</sup> June in your diary as this will be the date of our next Friends' Dinner, when the Queen's Diamond Jubilee will be the focus of the after-dinner entertainment. Please do not wait for an invitation before booking your place. All of our friends from the village are welcome!

## **Friends of Ulcombe School**

Congratulations if you were a winner in the FUS prize draw that took place at the Mothering Sunday Assembly, following the last Friends' Dinner. Thank you very much indeed to anyone who donated prizes and if you bought a ticket. This raised over £100!

Moving on to the summer, dates to put in your diary are Saturday 23rd June and Saturday 14th July, which is our Sports Day and Summer Fayre and Summer Ball, respectively. This year we plan to run our Sports Day on the penultimate Saturday in June from 11am, with the Summer Fayre following immediately afterwards. Saturday 14th July is the date of our FUS Summer Ball. As in the past there will be an auction with wonderful lots to bid for, as well as a great meal and the chance to dance the night away. If you have not booked your places already you will need to do so as soon as you can, either to the School Office or to Mrs Berry.

FUS and the School Council are continuing to work together to improve our school. The Council has been raising money for a wooden gazebo. This could be used as an outdoor classroom, shelter for the children during playtimes and shelter for grown-ups when coming to collect the children. I am delighted that we have got so far with this project, and that we are now simply waiting for a date for it to be installed.

Lastly, FUS are trying hard to organize a Bingo evening with our friends at the Village Hall in the future. It looks like this will be a joint event taking place in the autumn. Watch this space!

As ever, if you have any questions please do not hesitate to get in touch with us in school. We hope to see you at one of the forthcoming events.

With Very Best Wishes,

**Mr V Hampton**

## Grafty Geeks - Computer Tip of the Month

### It's Spring – so why not Clean up your Computer?

If you want to reduce the number of unnecessary files on your hard disk to free up disk space and help your computer run faster, use Disk Cleanup. It removes temporary files, empties the Recycle Bin, and removes a variety of system files and other items that you no longer need.

You can use Disk Cleanup to clean up all the files on your computer, for more information about the different types of files you can delete, Go to Help and Support, from the start menu.

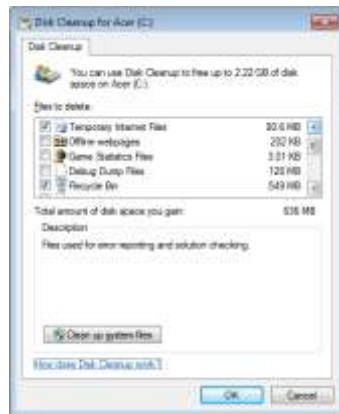

To perform a quick clean-up of some of the most common files on your computer do the following:

1. Click the Start button . In the search box, type disk cleanup, and then, in the list of results, click Disk Cleanup.
2. If the Drives list appears, click the hard disk drive that you want to clean up, and then click OK.
3. In the Disk Cleanup dialog box, on the Disk Cleanup tab, select the check boxes for the file types that you want to delete, and then click OK.

If you are unsure of what the file types are then do not delete them until you are sure of what you are deleting by using Help and Support.

I would recommend that you delete Temporary Internet Files, these are created when you browse the internet and the Recycle Bin, which is where the files you have deleted go, just in case you need them again. It might be worth checking what you have got in the recycle bin before deleting the files.

**Note:** You can also delete files from the Recycle Bin by “right-clicking” on the icon on your desktop and selecting “emptying the recycle bin” from the pop-up menu.

**Neighbourhood Watch**

In 2004 Jackie Weight started up a Neighbourhood Watch Scheme for the village. When she moved away she handed the reigns over to me which included the bank account amounting to £90.90, which came from 15 Parishioners who each contributed £6. Now that the Neighbourhood Watch is run directly by Kent Police, I wondered if those people who paid the money would object to it being donated towards a new solid wood Village Hall sign which is much needed? If you do object please contact me on 858350.

## The April Night Sky

The **Sun** is in the constellation of Pisces at beginning of April, and moves into Aries on the 19<sup>th</sup>.

**Full Moon** occurs on Friday 6<sup>th</sup> April when it appears to be in the constellation of Virgo, and **New Moon** is on Saturday 21<sup>st</sup> April.

**Mercury** is at its greatest distance west of the Sun on 18<sup>th</sup> April, so in theory this elusive planet may be visible just before sunrise low in the western sky.

**Venus** is again a brilliant "Evening Star" this month. It can be seen in the western sky just after sunset, and remains visible late into the evening. Relative to the stars it is moving rapidly eastwards, in the constellation of Taurus.

**Mars** is high in the southern sky at dusk, and doesn't set in the west until dawn. Relative to the stars it is almost stationary in the constellation of Leo. Through a telescope it may be possible to see the dark and light patches on the surface, together with the white North Polar Cap.

**Jupiter** is low in the west at the start of the month, and by the end of the month it disappears below the horizon less than an hour after sunset. It is therefore not the best time to view this planet as very little detail can be seen.

**Saturn** is in opposition to the Sun on 15<sup>th</sup> April, so this month can be seen all night. Relative to the stars it is moving very slowly north-westwards in the constellation of Virgo. Through a telescope you should be able to see the famous rings together with many of its moons.

This month is the turn of the **Lyrid** meteor-shower, which will probably peak around midnight on 22<sup>nd</sup> April. The meteors will appear to radiate from a point in the constellation of Lyra, close to the bright star Vega.

Last January I reported on the latest results from the Large Hadron Collider at Cern regarding the hunt for the elusive "God particle". I can now report that scientists at the Tevatron particle accelerator in Boston have found similar evidence of its existence despite using different methods to search for it. However, scientists are still expressing doubts as to whether the Higgs boson, otherwise known as the "God Particle" really does exist. The Higgs boson, which gives other subatomic particles mass, is viewed as the final missing component of the Standard Model, the most widely accepted explanation of how particles behave.

## **WEALD OF KENT PROTECTION SOCIETY ESTABLISHES SPECIAL JUBILEE FUND FOR 2012**

WKPS marks this year's Diamond Jubilee by setting up a special Jubilee Fund of £5,000. The purpose of the fund is to make grants and donations to groups and associations within the Weald who wish to do something special to mark Her Majesty's Diamond Jubilee.

What do we mean by 'something special'? Ideas that have been mooted include: provision of village bench/notice board/map/sign, restoration of village pond, repairs to church/village clock, planting of community orchard/woodland/allotment facilities, repair/restoration of heritage buildings/historic landmark/feature (e.g. windmill, village pump), improvements to/re-decoration of village hall/sports pavilions.

The spending will concentrate on village/rural/community projects which chime with WKPS' stated aims of sustaining and protecting the character of Weald and its communities and promoting it as a viable and vibrant living area.

We have a special interest in "green" projects, use of sustainable materials wherever possible, reclamation/repair/re-use of what already exists but also fresh new ideas to fill gaps within the community.

To give everyone time to reflect and plan, we will receive applications up to **June 30<sup>th</sup> 2012**, decide on grants to be made in July and make payment to successful applicants in August.

All information and an application form necessary to draw up and file an application are on our website, [www.wkps.org.uk](http://www.wkps.org.uk). Just follow the link to Jubilee Fund and the information and application form can be downloaded in a matter of minutes.

Tue 4 <sup>th</sup> December	Talk by Alan Stockwell on <b><i>The History of Pantomime</i></b>

-----  
*'The hungry sheep look up.....' (Milton)*

The March issue of the Downs Mail reported the worrying level of homelessness in Maidstone. Up to 40 people a day are dropping into the Maidstone Day Centre for food, showers and advice. Most of these are not stereotypical "park sleepers" but include businessmen and professionals who have lost their jobs and their homes.

In the face of this problem we can either respond by feeling helpless or ask the question, 'What can **I** do?'

In Grafty Green village shop and in the porch of Ulcombe church are containers for items of food for the Day Centre. Regularly Sally Alexander empties these boxes and takes the donated food to the Centre where it is much appreciated.

This is a problem which will not go away. We can choose to ignore it or resolve to make a weekly gift of food to help those in need.

**Joan Drury**

## **Christian Message April 2012**

### **Reflection...**

I could not forget the evening that I got the call from the bishop to let me know that Holy Family Church was offered to me as the parish priest. I had no idea how to react because it meant that I will be uprooted from my home since I have moved here to England in 2003. I struggled moving to a new place because it meant leaving behind my friends and new found family. The painful memory was still fresh in my mind when I moved to this country. I never knew the pain of leaving one's native land until I got here and after three months it suddenly dawned on me that I am alone in this part of the world. This is the feeling that runs across my system as soon as I knew that I am moving away. Yet this feeling slowly disappeared when I started to see the situation in the light of my vocation as a pastor. I realised that my life is meant to be spent according to the needs of the church. My desires for comfort should be eclipsed by the welfare of the church.

Life would have been extra difficult for me if I had not seen it in the light of my faith in Christ. I remember that my life was not mine since I was ordained to the priesthood. I felt sorry for myself for entertaining anxious thoughts about moving away because it did not take so long for me to realise that my worries were empty. The warm welcome and reassuring cooperation of the community of the Holy Family have simply made my settling process an excellent experience. The comforting words of my former parish priest resounds at the back of my mind that bring only your true self and sincerity to your new parish. I knew that I have not much to offer to my parish other than my humble service and availability to them. With this in mind, I am on my sixth month since moving here, I am grateful to Archbishop Peter Smith of Southwark and to Holy Family Community for giving me the chance to preach the gospel in this corner of the diocese. I am happy to carry on the evangelization here so long as the gospel requires me to be in this parish.

**Father Roy Tablizo**

### **Please pray for me.....**

There are times when we feel in need of prayer. We have put a box for prayer requests in the porch of Boughton Malherbe church. If you would like someone to pray for you please slip your request into the box. Similarly if you would like a visit from one of the clergy team please put your name and address in the box.

## Music Notes - April

With Easter in the month, many local churches will be presenting performances of Easter music. Stainer's *Crucifixion* is a popular choice, and this will also be broadcast on radio 3 on Sunday 1<sup>st</sup> April, performed by the BBC singers. Look out also for Bach's St. Matthew passion from Kings College Cambridge on Good Friday – 7.30pm radio 3. For live local concerts, here is my selection:

## Classical CDs

As a result of donations following a couple of house clearances, Leeds church now has a very large selection of CDs available, mostly of classical music. Some are still in their original cellophane, unopened. They are all for sale in aid of church funds at just £1 per disc. If you are interested, please 'phone Brian Hardy, 01622 842915.

## Haydn's Creation

A very special performance of Haydn's Creation will take place in Ulcombe's beautiful mediaeval church with its wonderful acoustics on Sunday the 22<sup>nd</sup> of April at 7.30 pm. The performance will be given by the Sutton Valence Choral Society accompanied by the Beresford Sinfonia. The soloists will be Helen Bailey, RAM, soprano, Clifford Lister, RAM, tenor, and Gavin Horsley, RCM, bass.

Tickets, price £10 and £12 are available from Molly Poulter on 01622 842988, or from choir members.
