

# Germoe Parish Council

Our Parish,  
Our Future:  
Help  
Shape  
Germoe

Do you want a say in how our Parish changes over the next 20 years?

As a rural community, Germoe faces particular pressures—from balancing tourism and protecting our beautiful countryside, to ensuring our young people, and older generations, can afford to live here, and keeping our vital local services running.

The Parish Council is preparing a **Neighbourhood Priority Statement**. This is an official document that tells the Local Planning Authority exactly what we care about, what we want to protect, and what we want to improve.

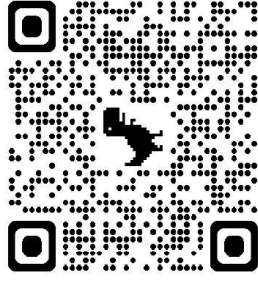

**But we cannot write it without you.** We need to know what matters most to the people who actually live and work here. You can do this by completing the survey at

<https://letstalk.cornwall.gov.uk/planning-for-our-future> or use the

QR code above.

If you have any questions or would like to be more involved, please contact our Chair, Graham Bell [cllrgbell@germoeparishcouncil.gov.uk](mailto:cllrgbell@germoeparishcouncil.gov.uk)
