### **POLICY HWB3 – MAINTAINING TRANQUILITY**

#### **DRAFT POLICY HWB3 — Maintaining Tranquillity**

- 1) Proposals must demonstrate that all feasible mitigation solutions have been implemented to reduce light and noise pollution to the minimum.**
- 2) External street and common area lighting should be low energy, modest in scale, limited to what is necessary for safety, installed at low levels, and be sympathetic to the surrounding area and not interfere with the dark night skies.**
- 3) The impact of noise and light pollution on the amenity of nearby premises, the character of listed buildings, the countryside and on identified nocturnal wildlife is reduced to the minimum.**
