

Welcome to this bumper edition of village voice! We hope you enjoy it, let us know what you think and we welcome contributions to the December edition in whatever form it takes.

UPDATE & SURVEY INFORMATION

SHAPE (Stanton Harcourt

Action for Play & Enjoyment) is making good progress towards its aim of improving play areas in the village. We have visited the village school to talk to the children about our plans (the level of excitement was very high!) and the children have been working hard on designing playgrounds and completing worksheets for us. We are also holding an event to share ideas with older children:-

EVENT FOR SECONDARY SCHOOL KIDS:

Wednesday 6th November in the Village Hall (small hall) at 3.30pm: COME AND TELL US how you would like to use the recreational space at Jubilee Field. Free crisps & coke!

If you are a parent of children aged 11+ please encourage them to come along. If the kids would like a space to meet and play, it is vital that they show their interest and get involved.

Consulting the community is an important part of SHAPE's project – we would like to inform everybody in the village about our proposals for play areas on Jubilee Field and The Leys, and allow everyone the opportunity to respond. Demonstrating that we have engaged with our community will also be crucial to the success of our grant applications.

We would therefore like to invite everybody who is resident in Stanton Harcourt and Sutton to complete an **IMPORTANT SURVEY** regarding the provision of play areas in the village. This is relevant to everyone – whether you have children or grandchildren or neither; are supportive of SHAPE's aims or have concerns; and if this all sounds a bit familiar because you've been asked to complete a similar survey before, please help the new committee by doing this again as it is vital that we can present information which is up to date.

Please go to the web address given below and spend a few minutes reading about our proposals and answering some simple questions.

<https://www.surveymonkey.com/s/LP3BZKM>

If you would prefer a paper copy of the survey, you can pick one up from the Village Shop (from Monday 4th November) or if you call Clare Rich on 01865 881943 she will arrange for a copy to be delivered to you.

DEADLINE FOR SURVEY RESPONSES : 30th November 2013. All individual responses will be confidential and the survey can be completed anonymously if preferred.

SHAPE can be contacted by email
shapecommittee@btinternet.com

Happening at the start of the month!

Village Market 2nd November
Scout Fireworks 2nd November

Ultra-Fast Broadband comes to Stanton Harcourt & Sutton

Having reached the target of 140 orders, Gigaclear have confirmed that they will be installing a new ultra-fast fibre optic broadband network across Stanton Harcourt & Sutton. It has taken over 12 months of hard work by the Broadband Committee and Gigaclear to reach the target.

Thanks to everyone that signed up so far to help deliver this fantastic community project. For those that have not signed up yet, Gigaclear will install an underground fibre connection point at every property they pass, not just those that sign up as customers, so it is never too late to sign up and benefit from broadband speeds that are as fast as any available anywhere in the world and will revolutionise your Internet, telephone and TV experiences.

What happens next?

Gigaclear are now finalising agreements with landowners and the Highways authority for the burying of the fibre optic cables that will supply the community, and expect to cross the Thames near Bablockhythe later this month to commence works. Gigaclear anticipate that all the many landowner agreements needed will be finalised over the next six to eight weeks but meanwhile are planning on starting the construction works in parts of the village in December. During November they will publish a schedule of works so that you will know where the contractors will be working and, more importantly, when they are likely to be outside your properties. Gigaclear expects the whole project to take three months from start to completion, so you should be online and enjoying ultrafast broadband from March-April 2014.

The Broadband Committee will remain in place for the moment to help support and facilitate the project and bring it to a successful conclusion. There will also be a number of village events as Gigaclear progress with the project, where there will be an opportunity to speak to the experts and try out the technology. Gigaclear representatives and members of the Broadband Group will also be present at the Village Market on November 2nd between 12 and 2pm. So, if you would like to learn more about the plan, Gigaclear's products and what the arrival of ultra-fast broadband will mean for the community then please pay us a visit. The next open day is in Appleton Village Hall on the 9th November, 09:30 – 16:30 so bring your laptop's, tablets etc. and try out the technology for yourself.

Nigel Elliott – Chairman SH & S Broadband Committee

Small Breakfast

16th November 9.00–11.00am

Why go home and put the kettle on after you have bought your paper? Join us at St Michael's Church for a bacon roll, hot drink and a chat for just £2.50

School News

The Stanton Harcourt Primary School has had a lot of help from about 100 volunteers who helped to tidy up the grounds, pond area and beds around the school in October, everywhere now looks very neat and tidy, in time for the festive Christmas season which seems to be approaching very fast! Staff at the school kept the children entertained during the day and FOSHS had kindly produced bacon sandwiches which were much appreciated. The jumble sale was also very successful and raised over £500. Everyone is now looking forward to the Halloween disco on the 31st October at the Harcourt Arms which will offer face painting, lucky dip and some fun games, nothing too scary! FOSHS is still looking for committee members for the Christmas Fayre on the 6th December so do get in touch with Darren Whitworth if you would like to join.

On the 14th October, Class 1 went on a trip to the Rushy Common Nature Reserve on Tar Lane, Jane Bowley of the Lower Windrush Project escorted them round the site along with teachers, teaching assistants and volunteer helpers. The pouring rain did not detract from the children's enjoyment and the work linked to their topic of nature detectives. The children particularly enjoyed using binoculars and viewing wildfowl on the lake in front of the bird hide. It is worth pointing out that the public can have access to this wonderful natural reserve for a small charge (contact Jane on 01865 815 426) or look at the website for the Windrush Valley Project.

Class 3 went to North Devon for a residential trip, amongst lots of activities to be enjoyed the children also helped with some domestic chores such as hoovering, bed-making, preparing food and learning about teamwork!

Photo shows Class 1 at Rushy Common.

Part time administrator required at Stanton Harcourt Primary School. email office.3130@stanton-harcourt.oxon.sch.uk

Paid lunchtime supervisor required at Standlake Primary Sch. Call:300454, email office.3127@standlake.oxon.sch.uk

Lower Windrush Choral Society Advent Concerts

The Choral Society, together with the Sutton Singers, will be performing a programme of seasonal music on Sunday November 24th at St Mary's Cogges and on Sunday December 1st at St Giles Standlake. Both concerts commence at 3.30pm. Admission free and refreshments available.

BULB PLANTING

Have you admired the daffodils in the Village during spring time? There are a large number of bulbs which need planting. Please come along and help – plant as many or as few as you wish.

10 am Sunday 3rd November 2013

Meet outside Parsonage House – bring a bucket and trowel.
.....why not help make your village bloom in the spring?

Parish Council Updates

The Parish council welcomes the opportunity to continue funding Village Voice to ensure Stanton Harcourt & Sutton continue to have an accurate, apolitical monthly fact sheet of village events – past, present and future.

Road Closures in Standlake

Standlake high street will be closed for carriageway repairs from 18th November for 5 days, a short section of the A415 adjoining the high street will also be closed for 2 nights between 7pm and 6am.

Parking Changes in Witney

As part of a 12 month trial the long stay spaces in the Woolgate car park will be reduced to 3hrs, while the Marriots multi-storey carpark will have its parking increased from 5 to 9hrs on the top two floors, with the remaining floors staying at 3hrs.

Halloween & Bonfire Night

Please ensure responsible behaviour at Halloween and on November 5th! Fireworks can frighten animals.

No18 Bus

Comments on the future of No18 bus should be sent to Tim.Darch@oxfordshire.gov.uk by November 15th

Planning

FFC (WRG of late) were granted Planning Permission for the Bulk Transfer Station at Dix Pit- one of the conditions was for the bulk heavy goods vehicles to Ardley to access the A40 via Hardwick and Ducklington- not via the B4449 through Sutton.

Parish Council Information

All official communications should be addressed to the Parish Clerk: Trudi Gasser, 5 Woodlands, Standlake, Oxon, OX29 7RA. trudigasser@rocketmail.com

Parish Council website: <http://www.wospweb.com/site/Stanton-Harcourt-Parish-Council>

St Michael's Annual Christmas Raffle

The St. Michael's Fundraising Group, in conjunction with the WI, are holding the Annual Christmas Raffle to help with the regular running costs of St. Michael's Church. We already have some great prizes, including the fabulous Christmas Hamper prepared by the WI and a meal for two at the Harcourt Arms donated by Amanda and Chris, though more prizes of a festive nature would be much appreciated. Lots of people in Stanton Harcourt and Sutton will have tickets to sell in early November, ready for the Draw on Tuesday 10th December, so the whole community will have the chance to take part and win some lovely prizes. (WODC Small Society Lottery Registration No. 793)
Sue Brown (882247 - SH) Bronwen Buckley (883704 - SH)
Pat Burden (880652 - Sutton) Jane Watts (882163 -Sutton)

Village Market 2nd November 12-2pm

Have you started to buy the odd little stocking filler or gift for Christmas? We'll have plenty of good ideas at the Village Market on Saturday in the Village Hall with stalls selling crafts, knitting and homemade jewellery. Come along and have a look!

There will also be a selection of local produce and eggs, home-baked cakes and pies and more. You can enjoy homemade soup for lunch or sit and have a chat over a cafetiere of coffee and a piece of cake.

Page 3 Bird

Roberta is a Jay!

She thinks holidaying at home is just as good as going abroad, which is why she can be found here all year round.

Did you know? Jays are part of the Crow family, despite their brighter colours and their favourite food is acorns! Although brighter than other crows Jays are hard to spot as they stay in the trees and are easiest to spot when moving between trees making their distinctive screaming chirp (a bit like a dinosaur bird!).

Police Have Your Say (HYS) Dates

The Neighbourhood Police Team will be in the village again to meet villagers on Tuesday 19th November at the School / Shop 3-4pm. If you can't make this you can meet them at Standlake School / Shop on the 20th 3-4pm

PC Conner Retirement

PC Richard Conner, our local policeman, is retiring and a replacement will be appointed. The Parish Council would like to thank Richard for all his hard work in the Eynsham Area over many years and wish him a long and happy retirement.

Scout Fireworks 2nd November

1st Standlake & Cokethorpe Sea Scouts invite you to a Firework Spectacular

Standlake Village Hall

Gates open 6pm for 7:15 fireworks

Bar, refreshments and music!

All proceeds to the Scouts & Shelterbox

Gigaclear

Ultrafast Community Broadband

You are invited to attend our
Ultrafast Broadband Demonstration Day
Appleton Village Hall Saturday 9th November
Call in anytime between 9.30am - 4pm

Join us to see what you can do with up to 1000Mbps of ultrafast broadband for communications, entertainment, games, work and study.

Have your broadband questions answered by our experts, and every hour between 11am and 3pm we will run a short presentation and question / answer session in the committee room to help you understand what we do and how we do it.

Take part in our speed challenge!

Bring your own device and see how fast it can upload or download using the latest Wi-Fi technology

Discover the alternative to a land line that will save you money and still keep your existing telephone number.

Enter our **FREE** prize draw to win a

AS ALWAYS – Thank you to this month's contributors, reviewers & deliverers.

Published on behalf of Stanton Harcourt & Sutton Village

While we try to ensure the accuracy of information in Village Voice, readers use the information at their own risk. Opinions expressed are those of the contributors and not necessarily those of the Editor. Inclusion of an advertisement does not indicate endorsement of the product, service or event being advertised.

Keep Calm & Carry On

Don't Panic! Some may be aware that the Village Voice could not be delivered as usual last month due to objections raised by the Parish Council, who traditionally fund the printing and delivery of the newsletter.

While we have tried to carry on as usual it was not possible to distribute the October issue as we would have liked. You will have read above that the Parish Council welcome the opportunity to fund the newsletter. While this is obviously appreciated we are still in the process of finalising details.

This edition of the village voice has been funded by the editor as a good will gesture. If you would like to contribute to the cost of this issue then please make a donation in one of the piggy banks at the Pub or Shop. Small donations will be adequate as we have reduced the cost of production significantly and with any luck funding will return to normal in due course. We will report on funding in future issues.

The cost of production has been reduced by the procurement of a rather large second hand 'Laser' printer. The 'Laser' is an HP8150dn, the equivalent of Captain Kirk's version of the starship Enterprise (in the world of Laser printers). Despite an initial problem with the Fuser the printer has now achieved Warp capability and if you are reading this on paper then the mission was successful.

If you or your organisation in the village could benefit from the use of the 'Laser' then just let the editor know. We can print A4 and A3 in black and white on various media and even do double sided (duplex).

Review of this edition and assistance with delivery has been possible through the kind assistance of villagers and I am very grateful for their help.

I would also like to thank all the villagers for their continued support and feedback. (ed)

Fun Quiz

There is no 'fun quiz' this month as the editor is quite miserable, but I've included ten poppies if you can find them all and if you have one too then that makes Eleven! *This month's episode was brought to you by the number Eleven (11) and the letter J.*

Ride and Stride - a big thank you

Many thanks to everyone who sponsored me on my Ride and Stride in mid September. I was raising money for both St Michael's Church and for the Oxfordshire Historic Churches Trust, which provides grants to repair and restore churches in Oxfordshire. St Michael's has received funds in the past.

I completed my route covering 42 miles and visiting 20 churches and chapels in West Oxfordshire in around five and a half hours, including in and around Eynsham, South Leigh, Ducklington, Curbridge, Brize Norton, Bampton, Aston, Cote, Shifford, then back into the Benefice for Yelford, Standlake, Northmoor and back to Stanton Harcourt. It was good cycling weather - not hot, windy or rainy! I raised a total of £272, so thanks again to my sponsors!

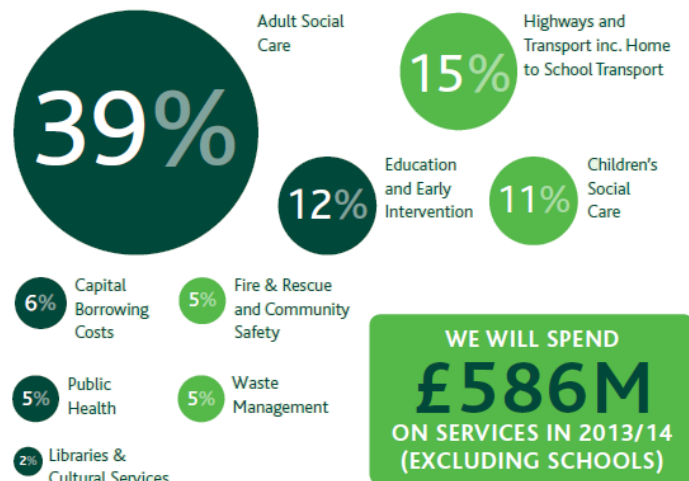

For more details about of the Oxfordshire Historic Churches Trust, please see <http://www.ohct.org.uk/bike.htm>, and maybe plan to have a go yourself next year!

Phil Loder

How would you save £60 Million?

If you're interested in seeing how the OCC spends its money or would like to give some feedback on how you feel about spending and cuts required to meet future budgets visit the website below to see lots of graphics like the one below and click on 'Have Your Say' at the bottom.

<http://www.oxfordshire.gov.uk/cms/content/talking-oxfordshire>

The remainder of this insert has been used to include some of the articles from the October edition for those who did not obtain a copy.

In Memory of Mac

The family of Robert MacEwen - known to most as Mac or 'G' - would like to thank all in the village for their kindness and support not only in recent weeks but over the past eight years. 'He loved living here'

No Place Like Home – Homeshare!

Homeshare is a new project that matches people with homes that could use a little help around the house with people that could use somewhere to live. If you would like more information or to take part or promote Homeshare please visit the link below and look for Homeshare.

<http://www.ageuk.org.uk/oxfordshire/>

Put on a Show?

Did you know in 1912 Stanton Harcourt Horticultural Society organised a Flower Show with the Raja & Ranee of Sarawak presenting the Daily Mail Cup to the winner. Would you be interested in organising or supporting a village flower, produce or craft show as part of the village festival or the market, if so please speak to Lucy Heath of Sutton.

Or write to the editor and I'll pass on your contact.

Noisy Night in Sutton Last Week?

It was Annie's 21st Birthday – Happy Birthday Annie!

A Country Parish *A message from Rev Sarah*

Well I can't believe it is over a week since my fantastic send off. You really did me proud. Thank you so much for the incredibly generous cheque but more especially for the very warm atmosphere you created during the service and at the party afterwards. I felt so very loved and how I held it together when you gave me that prolonged and whole hearted round of applause I will never know. Thank you so much for all the individual cards and good wishes. Thank you too for the lovely cake and theatre vouchers in St Michael's the week before. I shall use the vouchers when I am at the Abbey in November. It still feels a little like Cardboard City here at present although the removal company are under instruction to come and pick the empty ones up as soon as possible. There are the usual niggles and gremlins to sort out but the most important thing is that Ginger is settling down well.

My new address is The Vicarage, 2 The Rydes, Bodicote, OX15 4EJ and my phone number is 01295 250282.

Thank you all once again for your kindness and generosity to me over the last 10 years and your fantastic send off. *Sarah*

Sarah left in September via Bishops Move! But I'll be sending her a copy of Village Voice going forward so she'll know what you're all up to!

Young & Fit?

Starting September, gym sessions for 14-25 yr olds will only cost £2.50 at West Oxfordshire leisure centres, including the Windrush in Witney and Bartholomew in Eynsham. This is part of the Sportivate programme to help young people get 'well fit'.

QI

The Village Hall quiz was a great success, raising over £700 towards funding the hall. Thanks to the committee for help with organization, but special mention to Alison & Martin for putting the very entertaining rounds together; Chris and Amanda from the Harcourt Arms for cooking super lasagna suppers, Mavis for helping with the bar and the Stranges for providing the sound equipment.

Erratum: The singing quiz master would like to apologize for getting the "Horse of the year show" wrong; for which many folks identified the correct answer "Wimbledon" but didn't get a point.

The fault was traced to a local ale named 'Oxford Gold', now under further investigation by the editor!

The Winners: Jan and Paul Tomlinson, Kim and Jono Stacey, Amanda and Richard Exley.

On The Buses

The number 18 bus route is under review due to the budget cuts and significant subsidy required ~£180k for around 161 people per day. The Councils preference is to reduce the service to every 2 hours instead of every hour, rather than restrict its overall route. If you would like to give feedback, comments or make a case for keeping the current service please

write to tim.darch@oxfordshire.gov.uk before the 15th of November.

Telephone Banking Scam!

We've been asked to warn you about a telephone banking scam that is occurring. People are being called and asked to phone the number on the back of their card about their account.

The scam works because they hold the line open and pretend to be your bank when you dial them and they can ask you your details (and you think it's actually your bank)

If you are in any doubt about a caller do not give out any details and politely hang up. Call your bank another time if needed, or using another phone, or call someone you know well in between to ensure the line has been cleared!

St Michael's 200 Club - September draw
