The Annual Parish Meeting is not a council meeting. It is a meeting of the parish electors taking place between 1 March and 1 June. Electors can contribute to the agenda and in practice these meetings often celebrate local activities and debate current issues in the community.

Most importantly it is YOUR opportunity to have YOUR say on matters you regard as important to our communities in a relaxed and informal format. There is the opportunity for village organisations and individuals to get together to meet and exchange ideas and see what has been happening in Burton Leonard over the past 12 months and what future plans we have in store

The Annual Parish Meeting will be immediately followed by the April meeting of the Parish Council.
