## **Update on the Coronavirus Vaccine**

**26<sup>th</sup> January 2021**

**We are delighted that Severn Fields Medical Centre has now been approved as a hub site for the delivery of COVID-19 vaccines, and clinics for all Shrewsbury GP practice patients are starting there this week.**

Over the next week we will start the process of sending out text messages inviting patients **over 70 to 79** to book their COVID-19 vaccination (if you do not have a mobile number, you will be contacted in another way). We are working through inviting a large list of patients, starting with the extremely vulnerable, then moving down the ages from **79 to 70**. Your invitation is on the way. **Please do not ring the surgery.**

The text you receive will ask you to visit a link starting with **“book.nhs.me”**. Please rest assured that this is a legitimate invitation and a safe link to follow. You will be asked to confirm your date of birth only. For more information about this, please visit - <https://support accurx.com/en/articles/4794856-i-have-been-invited-to-book-my-covid-19-vaccination-through-a-book-nhs-me-link-is-this-legitimate>

The address for Severn Fields Medical Centre is Sundorne Road, Shrewsbury, SY1 4RQ
