To consider a requested donation of £90 (£30 per event) towards the cost of organising the village Freecycle events.

10/18 Parish Clerk and Councillors' update of matters in hand

- Ownership of the telephone box outside the Village Stores has now been transferred to the Parish Council. Discussions will be necessary to determine its future use.
- The Clerk has placed notices on cars parking at the Lower End bus stop reminding them that the stop is used by school buses.
- Oxfordshire County Council has responded ambivalently to the Parish Council's suggestion of fencing off the area of land used for unofficial parking at the junction of the A40 and A329 at Milton Common. As the County Council owns the land there appears little more that can be done: the Parish Council has suggested that OCC may wish to pursue alternative options but at this stage this appears unlikely.

11/18 Great Milton School: new modular classroom

The building has been successfully installed and is now in use following the start of the school year.

12/18 Parking on the Greens

To discuss whether parking on the greens should continue to be discouraged given increasing demands on roadside space.

13/18 'The Yard'

To discuss concerns from neighbouring residents regarding activities and vehicle movements at 'The Yard', Thame Road. The landowner is expected to attend the meeting.

14/18 Tree of Remembrance: type/location

Parish Councils are being offered a free Tree of Remembrance as part of events to commemorate the centenary of the Armistice. To determine what type of tree should be requested and where it should be planted. Varieties available are hawthorn, rowan, blackthorn, silver birch, hazel, common oak, and locations under consideration are The Green, Old Field and the churchyard. Currently a Rowan tree at Old Field is favoured.

15/18 Bulletin cover/schedule

To discuss concerns expressed by a resident that the cover of the Bulletin is now occupied by an advertisement, a course of action adopted to help secure the future of the magazine as a 'physical' publication. Additionally there have been requests to make August the one 'no Bulletin' month per year, rather than September as present.

16/18 Oxford-Cambridge Expressway

To discuss the implications of the announcement of the preferred corridor for the Expressway, conceived to improve links and stimulate economic growth between Oxford and Cambridge. 'Corridor B' is preferred, broadly corresponding with East-West Rail to the north of Oxford. However the route to get there could either be to the west of the city (likely via an improved A34), or to the east, possibly via a new road from the Didcot area to the M40. An eastern route could still bring this new road very close to Great Milton and the surrounding villages.

The next meeting of Great Milton Parish Council will be held on Monday 15th October starting at 7.30pm in The Pavilion.
