SCHEDULE 2

Conditions of Use

1. Introduction

- 1.1. The Lords in Trust of the Manor of Bowes (the landlord) own the freehold to Clint Gardens Allotments and lease the land to Bowes Parish Council. As the Council do not legally own the allotments the allotments are '*private*' rather than '*statutory*'.
- 1.2. This means that allotment leaseholders do not have to follow statutory rules for allotments but they do have to follow the conditions set out in the headlease between the landlord and the Council.
- 1.3. The Council is also permitted to set its own rules to ensure the allotments remain in an acceptable condition. These are outlined in previous tenancy agreements and have been subject to consultation when they were introduced or significantly amended.
- 1.4. This 2025 tenancy agreement does not significantly change the rules already in place but clarifies them and distinguishes between conditions of the headlease and conditions set by the Council.

2. Conditions of the headlease

- 2.1. The Tenant shall allow the landlord and Council access to the allotment site to exercise their responsibilities in respect of this agreement and the headlease. This includes allowing the landlord the right to extract and remove minerals, stones, sand, gravel, clay and timber from the site. The tenant must not remove any of these from the allotment site.
- 2.2. Tenants must cultivate the land so it is free of weeds, any grass is regularly cut and hedges and trees trimmed.
- 2.3. Tenants must not erect any permanent building or structure without the written consent of the landlord.
- 2.4. Tenants must not plant any trees, shrubs or bushes other than fruit trees or cut down or prune any existing trees.
- 2.5. Tenants must not cause any nuisance or annoyance to the landlord, the Council or other tenants.

3. Conditions set by the Council (see also the Council's policy for managing the allotments at Schedule 3)

- 3.1. The Tenant shall not keep any animals on the allotment, except for laying hens which must be kept in secure accommodation (no cockerels).
- 3.2. The Tenant shall not keep or store on their allotment any equipment or material, which in the opinion of Bowes Parish Council will not be used for gardening purposes and will have to be removed.
- 3.3. The Tenant shall not cultivate land within 2m from any dry-stone walling or engage in any other activity likely to undermine the walls.
- 3.4. The Tenant shall not obstruct any path set out by the Council for the use of the occupiers of the allotments.

SCHEDULE 3

Allotment Policy

1. The Council will normally only offer allotment tenancies to individuals who, on the start date of the tenancy, are living within the Parish of Bowes, are a minimum of 18 years of age and who have not previously had an allotment tenancy terminated by notice to quit within the previous 5 years. Furthermore, if a tenant moves outside of Bowes Parish Council they will be required to give up the tenancy of their allotment at the end of the growing season (i.e. the end of October of the year they move out of the Parish).
2. An exception to the rule of living within the boundaries of Bowes Parish may be granted at the discretion of the Council if there are long-term vacant plots, no Bowes residents on the waiting list willing to take them on but interested residents from neighbouring parishes.
3. When a plot becomes available, the Clerk will offer it to the person who has been on the waiting list for the longest period. Waiting list applicants can decline a plot they are offered; however, if they decline a second plot, they will be removed from the waiting list, unless there are no others on the waiting list. Where an applicant declines the offer of a plot, BPC will then offer the plot to the next individual on the waiting list.
4. The Council requires tenants and waiting list applicants to keep the clerk informed of any changes in their contact details. If the Council is not kept informed, any communication sent to the last provided e-mail address/postal address will be deemed to have been delivered to the individual it was intended for. The Clerk should be contacted at clerk@bowesparishcouncil.gov.uk
5. In accordance with Paragraph 2.2 of the tenancy agreement the Council may terminate the tenancy without notice when a breach of conditions has occurred. Tenants who fail to respond to a notice to quit or vacate their plot within a minimum of 28 days will be evicted. However, in cases of minor breach the Council will first issue an informal reminder of their obligations either in person or by e-mail. If a follow up inspection finds the issue unresolved, they will then receive a formal warning giving them one month to remedy the issue or face immediate eviction. Tenants will also be evicted without notice if they have received three informal reminders or formal warnings within a two-year period.
6. The Council will publish the template allotment tenancy agreement including the conditions of use and allotment policy on its website. It will review the agreement at least every five years and approve it at a council meeting. If any significant changes are proposed the Council will consult with allotment holders giving them three weeks to reply before approving the revised document.
