

TICHBORNE PARK CRICKET CLUB

Dear Brendan,

Could you please pass on the Cricket Club's thanks to the Parish Council with regards to the grant of £300 we received this year.

The Grant helped towards the purchase of much needed Colts training and safety equipment.

The Club has had a healthy increase in Colt numbers this year and with the demise of so many local clubs in the area this is encouraging.

Our commitment to the Colts set-up is paramount to the Club's survival

Once again many thanks for the support the Parish Council gives to the Club.

Kind regards

Andy Joyce
