**a) Planning applications: Led by MG**

19/00876/FULLS

Glebe Farm, Rectory Hill, West Dean

Erection of Dwelling and garage with annex, following removal of existing agricultural buildings

Application made to TVBC as the property comes under the West Tytherley Parish.

The Parish Council discussed this application. A vote took place by a show of hands:-

Object: 5

No Objection: 0

Support: 0

Abstain: 1

Material reasons for objection:-

- application isn't the conservation of an agricultural building, but its demolition, and replacement with a family dwelling which has no agricultural ties
- removes the footprint and replaces with one which is significantly bigger in size (700m sq)
- not in keeping with character of area (outside of settlement boundary),
- not consistent with planning polices covered in NDP

MC to feedback to TVBC Planning and West Dean Parish Council.

**b) Treeworks: Led by FC**

- i) Complaint received about issue with very large sycamore blocking-out light for residents in Pragnalls Cottages. FC has written to Aster Housing, TVBC, and Highways
- ii) Rooks causing major problems, with reports of blinding sheep. FC confirmed that this gives permissible reason for landowner to apply for a license to cull, or contact Pest Control Agency (damage to livestock)

**c) NDP update: delivered by Alan Bannister (AB)**

End of 6 weeks consultation. Good responses from both West Dean and West Tytherley. Significant comments back from HCC, TVBC, WCC. Reminder still opportunity to have your say - complete page 2/3 (pull out from the Plan) and return to AB during July, whilst he is collating all comments
