

Members of the public are welcome to join the Parish Council meetings.

Just go to the agenda tab under Parish Council and click on the relevant agenda.

On the summons page of the agenda the link is shown & just by clicking on the link you will be taken to the meeting which will be held on "Zoom".

Unfortunately there is a limit of 40 minutes for the meeting therefore if you click prior to the commencement of the meeting you are taken to a virtual "waiting room" & at the commencement time of the meeting you will be able to see other attendees.

Occasionally there may be a 2<sup>nd</sup> part to a meeting & this will require joining via another new meeting link.
