

Farnsfield Parish Council Strategy

Our Vision:

It's quite simple - "Be Proud of Farnsfield"

By this we mean, residents, visitors, businesses, in fact we want everyone to have a sense of pride in Farnsfield. To treat it with respect, and look upon it as a great village and community.

Our Mission:

We have developed 3 guiding principles, which will help us achieve our vision, and these are:

Our Plan:

We will develop priorities that reflect the needs of the village
Ensure everything we do is aligned to our Vision and Mission
Complete our plans in a thorough and quality-minded way
Work in collaboration with the Community

Formula for Success:

Our Vision + Our Mission = Our Plan
