1. **Apologies for absence** – None.

4. **Matters Arising**
Dower House – To correct an inaccuracy in the previous reporting that current alterations were within permitted developments. There have been two planning applications submitted to CDC for the Dower House recently and both been withdrawn. CDC were aware of recent building works at the Dower House so an Enforcement Officer had been instructed to have a site visit. Cllr. N. Maunder was actively following this matter up.
5. **Planning Applications**
 - 1) Ref: 20/02528/FUL Bourton Football Club, Rissington Road
Erection of standing/seated spectator stand (part retrospective).
COMMENT: The Parish have no objection to this planning application. The proposed spectator stand is planned to be built to the minimum requirements of the Football league and as such the Council have no further objection.
 - 2) Ref: 20/03114/FUL Land South of Wayside, Marshmouth Lane
Extension to existing equestrian building to provide three additional stables.
COMMENT: The Parish Council have no objection to this planning application.
 - 3) Ref: 20/03611/FUL Manor Close, High Street
Proposed new ancillary annexe.
COMMENT: The Parish Council object to this planning application as the “L” shaped building is considered to be over-size for the site and also does not provide adequate car parking for the size of the accommodation being proposed. The Parish Council were in favour of the previous planning application for this site which showed an oblong building which was on a smaller scale.
 - 4) Ref: 20/03671/FUL Portchester, Lansdowne
Erection of side and rear extensions and associated alterations.
COMMENT: The Parish Council have no objection to this planning application.

- 8) Ref: 20/03807/FUL Cotswold School, Station Road
 Provision of portal framed roof covering to sports area.
 COMMENT: The Parish Council have no objection to this planning application but trust that a suitable assessment of the aerodynamics of the roof have been made on this application. We are concerned regarding the stability of the construction in high winds.
6. **Update on the provision of two bus shelters in Station Road**
 Bloor Homes are going to apply for a variation of the Section 106 agreement to provide BPC with the agreed amount for the maintenance of the village bus shelters, as Cotswold School's recent planning application had incorporated Section 106 funding for two bus shelters in the same location.
7. **Planning Appeal** – It was noted that a planning appeal was in process for the redevelopment of the existing scrap yard and haulage depot to create electric charging station and association works.
