Dear Councillor Skinner

First of all may I apologise if you have already been approached by someone else on this matter.

There is a plan to try and flood light in GREEN any important buildings on June 24 which is St John's Day.

We hope by doing this we will show a massive amount of support for our wonderful St John members who have worked so hard during the wretched pandemic.

I just wondered who you think might be able to take this on in Swaffham and perhaps floodlight the Church and any other structure of importance.

Could I ask you to possibly contact Georgie Holloway, our County President, if you had any ideas on how to take this forward. Her email is [georgieholloway@hotmail.com](mailto:georgieholloway@hotmail.com)

Thank you so much

With kind regards

David
