

YOU'LL HAVE HEARD OF THE MEN'S SHED -

Now, to encourage women to join the Shed Movement,

WE ARE STARTING UP THE WOMEN'S SHED!

Come to a public meeting on 23 April, 1.15 –2.45pm

At the Cheese and Grain, Frome

(The earlier meeting in March was postponed because of snow)

What is a Women's Shed?

It's a friendly, inclusive workspace, with benches and tools, for people to work independently or as part of a group, being creative at their own pace, making and doing things of their own choosing.

It's a place where we can support each other, chat, drink tea, inspire and transfer skills to each other, and link ourselves into the wider community by joining in some community projects.

ANYONE IS WELCOME TO THE MEETING

...whether you want to be a working member, a creative tea-drinker, a helper, a trainer, supporter, or are 'just interested'.
