# CHAIR'S UPDATE

Councillors were pleased to award two grants at their December meeting.

The first went to the Stoke Baby & Toddler Group, which will be used to pay their £77.71 public liability insurance premium. The group which now has new leaders is starting up again after an 18-month absence during the Covid restriction periods.

The second grant of £817.64 went to the Memorial Hall Trustees for their building insurance premium. The council supports our village hall each year with grants towards their insurance and operating costs.

#### Sea Wall

Councillors also approved the payment of £1,319.47 for the cutting down of the overgrown trees and brambles by the seating area at Sea Wall. Our thanks to those residents who kindly moved their parked cars so that our contractors could do the work. It is lovely to be able to appreciate the view across our wonderful Somerset fields again!

### Covid 19 and Omicron

All the latest data on the new variant, Omicron, indicate that although symptoms can be mild like the common cold it is extremely transmissible, and if we test positive, we are likely to infect at least 5 people and more quickly. So, it's really important to make sure we protect each other by following the commonsense rules of socially distancing, wearing masks, washing our hands and ensuring we have access to fresh air when indoors so that the virus droplets can blow away. Solid scientific evidence shows that if we have had the third vaccination booster jab, this gives a 70% protection against symptomatic disease. Evidence also shows us that the majority of people in hospital are unvaccinated people, so if you are able to be vaccinated but have chosen not to do so yet, the NHS is urging you to go to one of the vaccination centres.

Please support our local shops and hospitality businesses who are being affected yet again by the effect of the restrictions.

Stay safe and well. Still important to remember - hands, face, space and fresh air!

### Happy New Year

Wishing all our volunteers and customers a Happy and Healthy New Year. After the slow start to 2021, when we were closed until mid-April, the shop has progressed steadily to the end of the year. Our success if the result of residents providing generous donations, dedicated volunteers and supportive customers. While Covid has reduced the number of grant applications received in 2021, we hope local groups will feel able to apply in 2022. Contact Jane Baker at jeb3101@aol.com for a funding application for any local sports, recreation or education group activity.

#### Space Needed to Hire

As many of you know, storage of Charity Shop stock at URC, North Street will end on the 31st of January, and we are looking to hire a suitable clean, dry space for some of our stock. Next donations date at HCAP: Our last donation day at HCAP (URC, North Street) will be Saturday, 8th January at HCAP between 10am and midday.

You are welcome to bring clothing, children's toys, books, CDS, bric-a-brac and small household and electrical items on the dates above. Volunteers will be on hand to receive your donations. Donations following this date will be accepted at the Charity Shop on the High Street.
