

## Moulsford Events

Nigel Baker

Following a beautiful late Easter weekend, it's time to get ready for the return of the Village Socials!

Our first event of the new season will be on the Bank Holiday Monday, 5th May, marking the national celebrations of the 80th anniversary of the cessation of hostilities in Europe, better known as VE day.

We're making up for missing out on the 75th commemorations in 2020, so the bar will open from 12 noon for a glorious afternoon at the bunting draped Pavilion. We will be running a BBQ, but folks are most welcome to bring a picnic along - we'll have the tables set out inside or outside depending on the weather. We'll also have appropriate music and the big screen will be up to share some of the day's special broadcasts. Coming along in 40s vintage style or Red White and Blue is not essential but definitely encouraged; the best attired lady and gent will be rewarded with a free drink from the bar. If the village children want to make some red white and blue cakes, they are very welcome.

We'll need some helpers from 11am to get the Pavilion decked out in its finest as well, so if you could lend a hand that would be most welcome. Our fingers will be crossed for fine weather, but whatever we get please do come along to help celebrate this momentous historic event; we'd love to see you all for a fantastic turn out and a great afternoon.

After this, the regular village socials will return every Friday, with the bar as always open from 6.30pm.

As last year, we'll be running the very successful and sometimes surprising food rota, to offer great priced delicious food prepared by our enthusiastic volunteers, interspersed with some pizza and fish'n'chip nights over the season. Again, it would be great if folks can offer time behind the bar to help out; if you can lend a hand, please see Jo about the rota. Thanks to all those who've offered their time already, it's much appreciated.

We're looking forwards to catching up with you all.

Hopefully, we will get some sunny hot evenings to make these village events even more special.

See you all on the 5th!

## Special thank you to the post installers and bus stop painters!

Some of you will have noticed that oak posts have been installed at the edge of the car park, following vandalism to previously existing posts. These are to discourage individuals from trespassing on the field.

Thank you to the volunteers who collected the posts, dug the holes, mixed the cement and placed the posts in one Saturday morning starting work at 7.30am(!) – it looks very smart. We really appreciate your help. Thanks too for those of you who repainted the bus stop shelter. We couldn't maintain things in the village without your help.

If you would like to volunteer for painting the bus stop at the southern end of the village, please contact and liaise with Hilary on [hshaw@moulsford-pc.org.uk](mailto:hshaw@moulsford-pc.org.uk).

Also, if you would like to be included in a more general Moulsford volunteer team, please email Hilary on [hshaw@moulsford-pc.org.uk](mailto:hshaw@moulsford-pc.org.uk) and we will add you to our volunteering group email – many hands make light work, so thanks for your support.

## Tree surgery

Over the next few weeks, we will be having various trees cut back in the recreation ground, as advised by the tree survey we had done recently.

## Recreation ground

The recreation ground has now had its first mow of the season, following the same cutting layout as last year, to allow more space for wildlife and nature corridors in line with our biodiversity policy.

## Annual Village Parish Meeting (APM) 2025

The annual village parish meeting is confirmed as Thursday, 8th May, 2025, starting 8pm and immediately following the Full Council meeting, which starts at 6:30pm.

This year's topic is Moultsford history and as such I am working with Cranford and Moultsford School to pull together a selection of photographs and old documents from around 1850 to now. I am also trying to secure a speaker for the 8th May, in the hope that they can give a talk on the second world war period in this area or on the Fairmile Hospital.

If you have any stories from this same period, no matter how insignificant they may seem to you, we would love to hear from you; it's personal stories which add colour to such an event.

A reminder too that village organisations, including representatives from Moultsford News, the Coffee Shop, the Church, the events committee, the pavilion management committee, and the 100 Club will hopefully be joining us at the APM to give a brief update to the villagers at the beginning of the meeting (e.g. last year/this year). Other social and leisure clubs are also invited to the meeting, to promote their activities. Drinks will be provided at the meeting.

Please email [spowell@moultsford-pc.org.uk](mailto:spowell@moultsford-pc.org.uk) if you have any specific information you would like us to cover in this meeting.

## Moulsford Allotments

Some of you may not be aware, but Moulsford has its own allotments \*, even if some of them are a little overgrown!

After protracted discussions with South Oxfordshire District Council we are about to renew our lease and can now focus on getting things in order.

There are several allotments which are unlet and we expect there may be one or two more that come free shortly.

We would like to have the majority of allotments let for this season, so we are offering these allotments first to the village.

However, if we do not get take up within the next two to three weeks (i.e. by mid May), we will be advertising in Streatley and Cholsey, as both villages currently have waiting lists for allotments.

Plots are rented on an annual basis, with fees payable in January.

The exact cost will vary according to size; typically around £30/year for a smaller plot and £40-60/year for one of the larger ones.

In addition, as the unlet allotments will require some work to clear and dig over, the Parish Council are open to offering the first year rent free in return for returning the plot taken to a state of cultivation within the first season of taking it over.

Water is available on the plot for a small additional charge.

If you are interested in taking up an allotment, please contact Sue Powell - [spowell@moulsford-pc.org.uk](mailto:spowell@moulsford-pc.org.uk) or 07786 250368.

## Making sure that crime doesn't pay

I recently spent some time sifting through grant applications for my Community Fund. Each year we provide around half a million pounds to good causes in Thames Valley by taking money from criminals. Some of the money comes through the courts, when judges can make orders under the Proceeds of Crime Act; and in cases where stolen goods are recovered but cannot be reunited with their rightful owner, they are sold and the money goes into this fund.

Any local group can apply; they don't need to be registered charities, but the money does need to go towards crime prevention in some way.

Amongst a wide range of applications received this year, we've tried to focus on schemes to tackle anti-social behaviour and vehicle crime. This has included CCTV systems, knife crime prevention and support for victims of crime.

By law, we cannot put this money straight back into police budgets, so it is great to work with the community on crime reduction. Preventing crime in the first place is, after all, better than catching criminals afterwards.

Locally some of the organisations that have benefited include The Sinodun Players in Wallingford, with a project to reduce anti-social behaviour; Didcot Army Cadets; Be Free Young Carers; and Youth Challenge Oxfordshire.

SOFEA - the fantastic Didcot-based charity working with young people - also received funding for their work across Thames Valley to support young people transitioning between primary and secondary school.

As well as the regular funding available to local groups, the cash taken from criminals is also used to support other organisations. I have set up ongoing funding arrangements with Neighbourhood Watch across Thames Valley to help support their crime prevention work. We support Street Pastors, volunteers from local churches who give up their time to make sure that people can get home safely after a night out. Recently Business Crime Reduction Partnerships have started to benefit from this money to help them in the fight against shoplifting and retail crime. As well as supporting our counties' High Sheriffs in their charitable work, one of the most important partnerships that this money enables is with our volunteer search and rescue teams who do so much to help those missing and in distress.

The next round of funding will open in the summer. If you'd like to find out more and be notified when applications are open please visit [thamesvalley-pcc.gov.uk/get-involved/community-fund](https://thamesvalley-pcc.gov.uk/get-involved/community-fund).

Dear Friends,

## Remembering VE Day – 80 years on

80 years ago, on 8th May 1945, VE Day took place – marking Victory in Europe at the end of World War 2. It was celebrated as a public holiday, and came exactly a week after German radio announced the death in action of Adolf Hitler.

In reality, Hitler had committed suicide on 30th April. His successor, Grand Admiral Karl Dönitz, quickly negotiated an end to the war with the Allies – at the same time trying with some success to prevent as many Germans as possible from falling into Soviet hands.

Field Marshal Montgomery accepted the unconditional surrender of German forces in the Netherlands, north-west Germany and Denmark at a ceremony near Hamburg on 4th May. All German forces then surrendered to Supreme Allied Commander General Eisenhower on 7th May at Reims, France. Soviet leader Josef Stalin had his own ceremony, in Berlin.

The announcement that the war had ended in Europe was broadcast to the British people by the BBC late on 7th May. It was decreed that there would be a national holiday the next day, and the stage was set for huge celebrations. Prime Minister Churchill had been assured that there was enough beer in the capital, and commemorative items, including VE Day mugs, were quickly produced.

St Paul's Cathedral held ten consecutive services giving thanks for peace, each one attended by thousands of people, and churches throughout the country rang their bells. The Royal Family played a central role, appearing eight times on the balcony of Buckingham Palace while huge numbers of people flocked down The Mall.

In the United States, VE Day coincided with President Harry S Truman's 61st birthday: he dedicated the victory to the memory of his predecessor, Franklin D Roosevelt, who had died of a stroke less than a month earlier. But both Truman and Churchill pointed out that the war against Japan had not yet been won. That final victory was still more than three months away.

This year as we celebrate 80 years since VE day, we pray for those who still are in the throes of war, battling injustice and fighting for freedom. We pray for wisdom and peacemakers that diplomacy and lasting peace may be found.

If you would like to join us in prayer, then you are welcome to our services at 9am St John the Baptist Moultsford.

Wallingford Accessible Boat Club Sets Sail for a Record-Breaking Year

Wallingford Accessible Boat Club (WABC), the much-loved local charity providing free river trips for disabled and less mobile people in Oxfordshire, is gearing up for its biggest season yet — and it promises to be a landmark year. Now in its fifth year of operation, the entirely volunteer-run club is celebrating a wave of good news: more volunteers have joined over the winter, more trips than ever are planned and their specially adapted Wheelyboat WOW-one is about to return to the River Thames. Most exciting of all, WABC’s new home in central Wallingford is nearing completion, with full use expected by June.

Chairman John Jenkins MBE shared his excitement:

“We’re aiming to welcome 500 passengers this year, thanks to our amazing volunteers and extended schedule — we are hoping to operate seven days a week. We now have access to beautiful new sections of the river downstream from Wallingford, and that means even more chances for people to experience the joy and calm that being on the water brings.”

WABC is inviting elderly and disabled residents to book a trip and enjoy the freedom of the river.

“If you or someone you know would enjoy a trip, visit [www.wabc.org.uk](http://www.wabc.org.uk) and watch our short video,” Jenkins added. “It’s free and easy to book — and unforgettable once you’re out on the water. Keep an eye on it for information about the start of bookings.”
