

Moulsford Events

Nigel Baker

A warm welcome to 2022! The Events Committee have already been busy planning for the year ahead but I just want to take a moment first to look back to the glorious Gala Night and Christmas Social, both fabulous events during a time of uncertainty. For the Gala, we are grateful to Ben and the team at Moulsford Prep for our lovely venue, and many thanks to Georges Delorme and his team and the folks on the bar for looking after everyone so thoroughly with food and drinks. We also extend our thanks to all the local people and businesses who generously donated raffle prizes, and of course thanks to those who bought tickets - we raised a staggering £930!

At the Christmas Social, many thanks to Santa for taking some time out of his busy schedule and to the folks who braved the cold outside to share some music and carols. And, as ever, much appreciation to the Events team who pull everything together.

It was obviously challenging carrying on with Events with Covid over the festive period, and we were delighted that so many people could still support the Gala, Social and Boxing Day Walk, but we were also sorry to miss those of you who weren't able to come. We sincerely hope that during 2022 things will improve so that we can all meet up again.

So, looking ahead, we have Winter Socials at the Pavilion on Fridays 18th February and 18th March. On both nights, in addition to the usual bar offering, we will have a seed swap table. Just bring along your surplus seed packs (labelled please) and see if you can find something new for your garden this season.

If the seeds get you into the gardening mood, you can follow this up with the tree-planting on 26th March, on the Recreation Ground from 10am onwards. Full details elsewhere in this newsletter. This will be the first event in the village calendar to mark the Platinum Jubilee; more celebrations will follow this summer.

Also in March, we have the famous Quiz Night on Saturday 12th, 7.30pm for 8pm, with fish and chip supper, and BYOB. Tickets will be available nearer the time from Twinks Kerr (651548).

Further into spring, Easter weekend will see the return of the Easter Egg hunt at the Recreation Ground on 17th April and our regular social nights will be back on Friday 22nd April, followed by the now traditional Bangers and Bubbles night on Friday 29th April.

We'll keep you posted here in Moulsford News, plus keep an eye on the village Facebook. We hope to see you soon!

Happy New Year!

A better start to this new year for Moulsoford as a look back a last year's February newsletter reminds us that we were actually in lockdown, with parish meetings held over video conferencing and the village support system in place. We do hope that this year's celebrations were very much more fun!

Beginning with some good news, MPC have advised SODC that no increase in the precept is required by the parish council for 2022/23. This is the second year we have not requested an increase.

Poor parking in Ferry Lane has caused problems for local residents over the last couple of years. On OCC's recommendation a single white line has been painted on one side of the road to dissuade drivers from parking there. We expect to see the outcome of this action more clearly in the next couple of months if COVID continues to become far less of a worry and more people visit Moulsoford. Although the single white line has no legality, parking there may cause obstruction which is enforceable by the police.

At our last council meeting in December, SODC councillor Anne-Marie Simpson advised that the planning enforcement process is being streamlined. Cases will now be assessed by planning harm, with more clarity in reporting breaches and the actions taken, with notices being placed at site. Those reporting breaches will be required to supply their personal details but these will not be disclosed; anonymous reports will not be acted upon.

In December, MPC agreed to make donations to the following local charities: Sue Ryder; Clean Slate; Home Start. Our membership of both Campaign for Rural England (CPRE) and North Wessex Downs AONB will continue; both of these are valuable contributors on the impact of proposed development in our area, maintaining awareness of the importance of our beautiful countryside.

Oxfordshire Treescape Project is a fairly recent initiative set-up "to harness the power of trees to address biodiversity loss, slow climate change and contribute to human wellbeing, alongside food production." (<http://www.oxtrees.uk/about>). This is very new to MPC but it is increasingly well supported by other parishes in the county and likewise we are keen to explore opportunities in Moulsoford. Please take a look at the website, if you'd like to help move this forward in our village kindly contact the clerk: parishclerk@moulsoford-pc.org.uk.

Our next parish council meeting is on 17th February, 2022 at 7.30pm in the Pavilion.

Planning Applications and Decisions

NEW DATE! Tree Planting Day, Saturday 26th March

Recreation Ground and Pavilion from 10am

Our new community trees have been sheltering over winter in a local garden, even starting to push out some new shoots. It's nearly time to settle them in as hopefully very long-term residents of our Recreation Ground. We will be working with Peter Greathead of PWG Tree Surgery to make sure our trees get the best possible start in their new home.

Do come along and join the team to plant our new trees in the woodland areas. You will be able to find out how best to plant a tree; making sure it's not too shallow, not too deep, but just right. Everyone's welcome; anyone can plant a tree, with a little help if needed - and we have plenty to go round!

Refreshments will be available from the Pavilion after 10.30am thanks to our hardworking Events Committee, to make sure our tree-mendous volunteers are well looked after.

For this event, you will need sturdy footwear and gloves and if you can bring your own spade (border size fine), that would be very helpful.

We've heard that some folks might even have some little trees found as self-seedlings in their own gardens that they'd like to release into the wilds of the Recreation Ground for future generations to enjoy. Please do bring your little trees along; we would especially be interested in local natives likely to do best in our soils, but don't worry if you're not sure, we can check the identities for you on the day.

The day's efforts will contribute to the Queen's Green Canopy national tree planting initiative to celebrate Her Majesty's Platinum Jubilee. We will be uploading details and photos of our trees to the QGC website to add to the national map - which you can already explore at: <https://queensgreencanopy.org>.

And finally...

If you'd like to know more or just want to confirm you're planning to come or have a tree you'd like to offer, please get in touch with Jo Baker at jbaker@moulsford-pc.org.uk. Please watch out on the village Facebook pages for further updates. We're looking forwards to seeing as many people as possible, please do come along if you can!

Star Count 2022

The countryside charity Campaign for Rural England holds an annual star count in February to help monitor the quality of our dark skies across the country and raise awareness of light pollution. It's a bit like the RSPB's Big Garden Birdwatch, but for stars. It's really easy to take part; you choose a clear night during the fortnight of the survey, go outside and let your eyes get used to the dark and then see how many stars you can count with the naked eye inside the four corners of Orion. Results can then be uploaded to the Star Count website to be included in the 2022 national interactive map.

You can find out more and sign up at www.cpre.org.uk, just search the website for 'Star Count'.

My dear friends,

This is my last letter to you as Vicar of Moultsford. In fact, I've already had my last service in Moultsford (Sunday, 16th January) and by the time this reaches you I will have had my last day as Vicar of the Benefice of Cholsey and Moultsford (23rd January). We came to Cholsey nearly 30 years ago with five children, aged 12 down to 2 (plus dog, cat and various guinea pigs). Eleven years later, in 2003, I was asked to take on the additional role of Vicar of Moultsford, and so I have now been your Vicar for more than 18 years. Even though Moultsford was just down the road, I knew very little about the village before becoming your Vicar. So I was delighted to discover just what a friendly and welcoming community Moultsford is.

It has been a real privilege to be your Vicar and to get to know many people both in the church family and in the wider community. I'm not sure which year the summer Friday evenings in the Pavilion first started – it seems a long time ago now – but they have provided a wonderful opportunity for me to get to know the lovely people of Moultsford. I quickly discovered that Moultsford loves to eat, drink and have fun together and I have many happy memories of all sorts of special events, including dog shows, a village fete, quiz nights, Harvest barn dances, coffee mornings, Tear Fund sales, Euro football nights and garden parties. I have also had the joy of helping some of you get married, or christen your babies, or prepare you for Confirmation. And I have had the privilege of sharing in your grief for loved ones as we have together prepared a fitting funeral and I hope that I have been able to bring some comfort and hope in those situations as well. As well as our regular Sunday services there have been all sorts of special occasions, whether it is the beautiful Carols by candlelight, outdoor Ascension celebrations (usually involving both balloons and bangers!), memorable Remembrance services or monthly - slightly mad - Messy Church for the young families. It has been great in recent years to have some more joint church and village events such as the children's carol concerts and the Tear Fund big quiz nights.

As well as a beautiful church building with a lovely church family, Moultsford is home to some other special communities, namely Moultsford Prep School, Cranford House School and the Old Vicarage Nursing Home. Over the years I have thoroughly enjoyed doing assemblies in schools and hosting services in church for the schools. It has been an enormous privilege to take communion and share the good news of the gospel with the residents of the Old Vicarage each week, to work alongside the staff there and to see the exceptional level of love and care that they provide.

So, I shall leave Moultsford full of happy memories and very grateful for all that Moultsford has given to me. Church of England vicars are required to leave the parish when they stop being vicar, to give space to their successor. However, we are not moving very far – just to Nettlebed, so Lynda and I hope to keep in touch with many of you. I have already received firm instructions to make the occasional discreet return to the odd Friday night at the Pavilion, which I can probably get away with, at least until the next Vicar is appointed. We shall always have a very affectionate eye on what is going on in Moultsford, and you will always have a very special place in our hearts. I very much hope that you will give the next Vicar as warm a welcome and friendship as you have given me.

With many thanks, warmest regards and much love from your retiring Vicar,

PS: My old contact details will no longer be available. If you wish to get in touch, please get my new contact details from our churchwarden, Janet Knowles email: stjbmoultsford@outlook.com

Gail Slinger

The next **Village Coffee Shop** is on
Wed 9th February 2022 in the **Pavilion** from **10:30am to 12 noon**.

February will be all about **Hearts and chocolates** seeing as it's the month of **Valentine**.
The lovely ladies putting the kettle on are **Bunty and Ursula**.

I would like to say thank you to Linda, Daryl, Alison and Gary for their help at the January coffee shop and to everyone who helps to clear away at the end, we really appreciate it.

January Coffee shop was a great success, our numbers are continuously up in the 'teens', thank you to everyone who supports us and of course enjoys coming.

We have a change for the March Coffee shop in that we have some lovely Moulsoford Men putting the kettle on, thank you. **March** will be all about **Spring and Daffodils**.

Please feel free to put your name down on our calendar list for 'Putting the Kettle on'.

See you all very soon.

Henley and District Stamp Club

This month I would like to dispel one of the myths that I gather surrounds Stamp club meetings, i.e. that everyone sits round looking at each other's albums. Nothing is further from the truth.

There is a speaker(s) who 'gives a display'. This is a story illustrated by Philatelic Material. The speaker will have researched their subject, probably for many years. Their Pages go into the club 'frames' up to 72 x A4 each half, for people to look at during the coffee break. They are interesting and entertaining. If you have an interest in Philately or Postcards or the subject, do come and see for yourself.

Elli the Gardener

Gardening diary

Hi folks!

I've had a brilliant winter with lots to do!

We got a new allotment plot and I've been busy making a plant bed. Here's how I did it: I dug up the grass in a rectangular area and then sorted out all of the big roots and stones. We made a border out of old wood and put it around the bed. I then filled it with fake cow dung (it's a waste product of an organic gas plant). I smoothed out the dung, cleared the mud off and DONE!

We also finally got to work on the bird feeder! The birds haven't really noticed it yet but we have a cheeky regular visitor who the table wasn't really meant for: a squirrel! We are hoping that our uninvited visitor will attract the birds – fingers crossed!

Answers for the last Quiz

1. Plantago lanceolata is more commonly known as ribwort plantain.
2. Water them. YOU MUST ALWAYS WATER PLANTS! Please remember this – I will ask again because it is VERY important.
3. False, there are over 13,000 distinct varieties of daffodil, not 7,000, WOW!
4. Bamboo. In fact, the Chinese moso bamboo can grow almost a metre in a single day.
5. The cactus has adapted to its environment with stems that can store water, widespread or very deep root systems that can collect water from a big area, and spines (modified leaves) to minimise the surface area and lose less water.

Challenge

I know that it is very cold outside, but your challenge this month is to do something outside. Whether it's doing some gardening, going for a walk or going on a cycle ride, just get out this month – it's good for you!

Gardening Tip

Start preparing! Prepare things like plant beds or weed the beds that are already there, so that when the time comes to sow seeds, you can just put the seeds in, water them and done!

Gardening Quiz

1. The love apple is the original name for what?
2. What succulent beginning with 'A' has soothing properties?
3. What is a deciduous tree?
4. What is the biggest type of tree in the world?
5. What type of soil do raspberries like?

Village News

Following the Moultsford Ladies' Christmas Supper in December where we raised over £300 from the raffle, the cheque was presented to the Midwifery Team at the Wallingford Maternity and Birthing Centre on 11 January. The staff assured us they were smiling underneath their masks!

The money will be put towards the purchase of a Dinamap vital signs monitor which is extremely accurate and used to monitor a patient's condition, particularly in the latter stages of pregnancy. Thank you to everyone who bought raffle tickets to support such a worthwhile, local fundraising activity.
