**Application PA20/00754: The Council resolved** to submit the following comments: Having considered the Legitimate Planning Considerations, B.P.C. were unhappy that the correct planning process had not been followed. The Council would like to encourage a swift application for a permanent solution. It would have been useful to have the Land Agent report as this will have a big impact on the final decision. Despite their concerns, Council recognised that this was an established local business and that the applicants had explained the circumstances which had resulted in the current situation.  
**Proposed: Cllr. Bennett                      Seconded: Cllr. Law                      Unan**  
**It was resolved** to support the application for Temporary Accommodation for an agricultural worker **at Dunns Farm, Boyton**. Council would like to see the agricultural tie to be linked to the specific business so it would be removed if the business ceased trading.  
**Proposed: Cllr. Bennett                      Seconded: Cllr. Strout                      Unan**
- Application PA20/09263:** The Council felt that the current LBC procedure was over the top for such a minor matter.
