

## Patrons Chairman's report 2018

This last year the Patrons won more matches than previous years and more clubs were represented in our matches, and the enthusiasm was great on the green.

We won 2 cups The Frank Lacey cup against Bristol City and County Association and the Len Hilleard Trophy flood light game against Norwest .

Can I thank all the clubs that offered their Bowls green for our matches.

We will be donating £1500.00 to Somerset Bowls Association to help with their loss for this year.

I would like to thank Carolle Skeates our Match Secretary for all her hard work and David Wederell our Treasurer.

Yours  
Barrie Davis  
Chairman

PS I can confirm the existing officers are prepared to continue in office for 2019
