	2	Reports – the meeting adjourned during reports.		
	2.1	The Public: No reports.		
	2.2	Report from HCllr Jackie Porter: HCllr Porter was unable to attend the meeting but provided a written report (Appendix 1) which noted that HCC will be challenging the Government on the Local Government Reorganisation decision and thanked residents and parishes for their objections to the proposed Popham Logistics Park.		
	2.3	Report from WCCllr Stephen Godfrey: WCCllr Godfrey noted that committee allocations have been made following the recent elections. Stephen and Andrew are on the Ordinance and Governance Committee. Caroline is on the Scrutiny and Housing Committees. In addition, Stephen is on the Kings Barton Forum and a deputy on the Planning Committee. Local Government Reorganisation (LGR) is moving ahead but there are challenges (such as from HCC) and concerns about the Government plans. LGR will lead to new parish councils for the City centre and Kings Barton and these are currently under consultation. There are currently public displays about the central Winchester redevelopment plans and feedback is being sought from the public before a planning application is made in the Autumn. Grant schemes are now open for Small Grants of up to £700 and Greener Faster Grants. WCCllr Godfrey noted that he was pleased to attend the update meeting with Southern Water arranged by the Parish Council and thanked the Council for the refurbishment and repair work undertaken on the War Memorial.		
	2.4	Report from WCCllr Andrew Adams: WCCllr Adams noted that the City Council Small Grant Scheme is focusing on community groups and that grants may no longer be available to parish councils. He further noted that the City Council has objected to the Popham Logistics Park proposal and that a presentation on Junction 9 works was made at the South Wonston Parish Assembly. The access to the M3 northbound from Junction 9 will be closed for 18 months which may cause issues with drivers avoiding the diversion (to join at Twyford) and instead seeking to use the A33 to join at Dummer. The meeting resumed after reports.
