

## Coronavirus:

Further information for residents and businesses.

You will have read in the accompanying letter about the Nottinghamshire Community Support and Volunteering Hub which can help with urgent non-medical support for those shielded, those isolating or for friends / neighbours whom you may be concerned about. There are other services available to you who may be able to assist in less urgent cases:

Questions	Answer
How can I access local community help?	Nottinghamshire County Council has launched an online hub. Enter your postcode to find community support groups near you which can help with a range of services including grocery deliveries, collection of medical prescriptions or providing someone to talk to.
