MINUTES OF PARISH COUNCIL MEETING

HELD AT 7.30 PM ON TUESDAY 2nd DECEMBER 2025

AT THE FOX PH MATCHING TYE

Present

Cllr Paul Moulds (PM), (Chairman) Cllrs. John Binder (JEB), Richard Morgan (RM), Eugene Simpson (ES), In attendance: Clerk to the Council Ernie Fenwick, and 7 member of the public

3402. CHAIRMAN'S WELCOME & PUBLIC PARTICIPATION

Questions submitted in writing will be addressed by the Council during the first 15 minutes of the Meeting.

- Request from owners of The Chequers for reasons behind objection to planning application. PM and JEB both expressed the concerns of the council that extension of the footprint of the dining area would attract more visitors and create additional parking problems. There was no objection to the alteration works to the kitchen arras which were considered appropriate. However it was also pointed out that EFDC refused the application which had previously been refused and also refused on appeal.
 - Questions raised about the clearance of rubbish after the bonfire on the 5th November. PM said he had seen broken glass on the verge outside The Chequers and had asked the manager to deal with it. This did not happen and 35 minutes later he again raised this with the manager. The broken glass was eventually removed.
 - The race director for the 10k run outlined the details of the event and PM said that the council were happy with the organisation details and wished the event well.
 - Frustration was expressed regarding the long time it has taken for the Matching Tye millennium sign to be repaired. PM responded that it was being looked at by a local woodworker on a 'time availability' basis at no cost to the council. Request that if it was possible could it be paid for on a more urgent basis. PM responded that the calls for funds from the council precept were more important than the repair of the sign, but that another person had been asked to look at both signs from Matching Tye and Matching Green to recommend if repair was an option.
- 3 members of the public left the meeting
