TWO-WOOD PAIRS 2026

2 sets of 7 ends. Scores from the first set are not carried over into the second set.

If the pairs win one set each, there is a deciding set of 3 ends, in which the winner of each end scores just 1 point, irrespective of how many woods they have nearest the jack.

Quarter-final 4 July	Semi-final 10 August	Final 13 Sept	WINNERS
