C/22/048

**Kings Barton**

**a Report on the meeting between HWPC and WCC re: Kings Barton open spaces**

The minutes of the meeting held between S Lincoln and S Robbins of WCC and Cllrs Rutter, Iredale and the Clerk were circulated before the meeting. It was agreed that the meeting had cleared up misunderstandings. Cllr Hamblin commented that facilities at the school were discussed. Cllr Watters suggested that the school's Academy trust, should be approached for room hire as they were the building's owner. Cllr Welland asked if it was now clear, in WCC, that HWPC was the preferred choice for the open spaces. The Clerk was unable to confirm this. The Clerk asked for 3 extra hours pay for writing the minutes. This was agreed.

**b Agree appropriate Working Group for Kings Barton Matters**

The Council agreed to set up a Working Group with delegated responsibility for dealing with Kings Barton matters. The Working Group would include Cllrs Rutter, Iredale and Watters. Mr Slinn (the member of the public) agreed to join. The first meeting was proposed to be Monday 20<sup>th</sup> June. The Clerk was asked to provide a location. Cllr Watters said it was appropriate for Kings Barton reserve to pay for the venue. This was agreed. The Clerk was asked to look up Terms of References for Parish Council Working Groups.

**Action: Clerk**

**c Engagement with residents**

Cllr Iredale and Mr Slinn would advertise on Facebook for more residents to join the Working Group.

**d Agree plan for taking on Open Spaces**

The Clerk explained that she required a plan to work towards, because a number of things would need to be in place when the land was due to be taken over. The Council agreed that in principle HWPC wished to take on the Open Spaces in Kings Barton and that the Working Group was delegated to explore the matter with WCC. The Clerk was asked to prepare a letter for the WG to discuss.

**Action: Clerk**

**e Agree response to 1A Playground consultation**

Plans for the new playground had been circulated to the KB Residents Assoc and to the Council. Comments received by the public were circulated before the meeting. Cllr Watters asked for more equipment suitable for a longer age range. The Council agreed to request swings and more benches but to reject the tunnel (which was the same as in the Dell). The Council recognised that the wooden equipment made it sustainable but asked that the equipment should not be made of wood because strimming would cause damage and rot in the long term. The landscaping was asked to be mower friendly. The Council agreed to this response.

**Action: Clerk**

**f Kings Barton Forum representation**

Cllr Iredale explained that she would need to resign from the forum. Cllr Watters volunteered to take over. Cllr Cramoysan confirmed he was the new Chair. Cllr Iredale asked the Council to consider posting the KB petition to stop the closure of Andover Rd on the Council's website. It was agreed that

since the Council was not taking a view on the matter it would be appropriate. Cllr Porter confirmed that it was still WCC's policy to stick to planning but it was recognised that the decision could be re-visited due to the air quality in a built up environment.

**Action: Cllr Watters, Clerk**

**C/22/049**

**The Dell**

**a. Signage for the paths**

As HCC's licence for placing the board on Springvale Rd were likely to be expensive (C/22/053d) the Council agreed to place the signage further up the path where it turned. The Clerk was asked to speak to the Benefice.

**Action: Clerk**

**b. Inspections for playgrounds**

The Council's insurance provider was asking that the playground should be inspected bi-weekly. The Clerk expressed reservations because this would mean unskilled Cllrs would be making decisions about equipment that could have serious consequences. The Council asked the Clerk to go back to the insurance provider for clarity of their position.

**Action: Clerk**

**c. Cherry Tree for Jubilee**

The Clerk said she had visited Longstock nursey which had advised that Cherry trees would cost £60 but they were best planted in Autumn in order to ensure they had enough water. The Council agreed to wait until then.

**Action: Clerk**

**Down Farm Lane – Update from Working Group**

Cllr Hamblin informed the meeting that there has been a meeting of the WG. The Clerk had supplied the WG with the data from the SLR. The WG had decided that there were 2 main issues; traffic speed and traffic volume. They had photo evidence from a resident of where the natural constriction of the road caused bottlenecks which, on occasions, had resulted in aggression from drivers. He felt it would be of benefit for Highway Engineer to walk the road. He said the WG recognised there were problems further up but wanted to concentrate on areas close to the community which were most impacted. He said he would be submitting a report.

**Action: Cllr Hamblin**

**C/22/052**

The recent communication from Volker Fitzpatrick announcing the delay in the application for consent for the upgrade was noted.

There was no update

**c. School Lane Fencing**

Photos of a recent road traffic incident that had occurred at this junction had been circulated before the meeting. Cllr Porter confirmed that they had been forwarded to the road safety team. Cllr Hamblin commented that there were here near misses all the time and that it would be appropriate to install no left and no right turn signage and to restrict part of the road to one way. Cllr Porter said she had asked HCC's Mr Pillans to meet her there to discuss the issues.

**Action: Cllr Porter**

**d. History Board**

HCC was asking for payment for 2 licences to install the board. Cllr Porter said she would see if she could get the figure reduced. The Clerk was asked to contact KWPC to find out if they were charged similar amounts.

**Action: Cllr Porter, Clerk**

**f. Upgrade to Nuns' Walk plans**
