From our local churches…
Revd. Hannah Lins, Severn Loop Parishes

Are you still any good at playing?! Last month we had *Forest Church* at Preston Montford Field Studies Centre. It was great fun, and gave many of us an unexpected gift. A dozen or so of us gathered, ages ranging from four years old to 96! Amazing. The surprise about that though, was the distribution- only two people were under sixteen, and actually, two were over ninety. The activity was pond-dipping, but because it would have been a bit awkward for ten of us to stand admiring two children giving it a go, we all joined in.

What a delight it was to be allowed to play. Everyone had a net and a tray, and got to work. We found all sorts of interesting creatures, learned loads and, no matter what our age, we were all utterly absorbed in nature- discovering the wonders of the life to be found just under the surface.

It reminded me a bit of another context where simple, childhood joy can be drawn out from the depths- when we sing hymns. We're just beginning the wedding season in Severn Loop, and so often the hymns people choose are beloved of their early years. A particular favourite is 'One more step along the world I go'- an assembly banger that stomps along loud and proud! Although the words are very straightforward and easy to grasp, the sentiment is deep. Sometimes we make the mistake of assuming that the 'you' (as in, 'keep me travelling along with you') refers to another person. It does matter that we experience life together- there is no substitute for real company, real community. But the true meaning of 'you' in that song is God. We believe that we are never alone- there is one who is divine, eternal love, who is with us always. And that comfort really matters in the easy times and the hard times- which is why it's a great wedding hymn, and has even been chosen for funerals- it gives strength when our own wavers, and recognises plainly that life will be a horror at times. So be encouraged by the things of childhood, because we should never grow out of the ability to play, and the life-lessons we learned then can nourish us now. Here is the penultimate verse to remind you of that (you can imagine the marching, unrelenting pace!):

Give me courage when the world is rough.
Keep me loving though the world is tough.
Leap and sing in all I do,
Keep me travelling along with you.

BASCHURCH, BOMERE HEATH AND DISTRICT BRANCH OF THE ROYAL BRITISH LEGION.

Once more it is time to let the residents of Bomere Heath know what we at the RBL Branch are doing in the coming months.

On Saturday 4th July we will be attending the Baschurch village Fete on the Village Green, if you are attending please look for our Gazebo and call in for a chat, everyone is welcome, and we are always looking for new members to come and join us, you do not have to be a serving member or Veteran of the Armed Forces to join the RBL. Take a look at our Branch website online for information.

On Sunday 19th July our Branch President Lt. Cmdr. Malcolm Hazell MBE Rtd. Will be doing a solo sponsored run around the Baschurch Village hall sports field in aid of the All Saints Church roof fund, the distance is measured at just under 1/2mile per lap.

Starting at 0900hrs, Mal intends to keep going around the perimeter as long as his legs will carry him! Bless him he is creeping on in years, 70yrs to be precise, just a few days short of his 71st Birthday. He will be supported by lap counting, water and encouragement (heckling!?) and such like, by his fellow RBL and family members.

Mal is seeking sponsorship for the Appeal from individuals of either a pledge per mile (such as £1 per each mile covered) or make a one off donation to the Church Roof Appeal (such as £5 or £10 for example) by BANK TRANSFER TO:

BASCHURCH PCC, SORT CODE 30 97 62, ACCOUNT NUMBER 00396124

If you wish to sponsor Mal per mile, simply contact Mal directly at malhazell@hotmail.co.uk with your pledge and he will contact you on completion of the Run to advise you of the distance covered, and invite you to transfer the sum as above. Sponsorship forms will be available shortly for people who prefer this method.

In summary please visit the RBL display on the Baschurch Village Green on the 4th July and support Mal's run. Thank you.

Later in the year, 12th September we will be attending the Bomere Heath Village Fete, so if anyone as any suggestions of what we can do to help the community of Bomere Heath and District on the day please get in touch with myself, wldawber@yahoo.co.uk for a chat, we are already looking forward to meeting everyone.

Until next time, take care everyone, keep well, keep safe.

William (Bill) Dawber. (Chairman)

Bomere Mag Fun Fundraiser

Back in April, we held a fundraiser for the mag, at the Mission Church in Bomere Heath. Thank you to all who attended, and who sent in donations of raffle prizes and plants! The bacon-buttie café was also popular, as was the 'Severn Loop Challenge' (a wire-buzzer game). We made over £400, which will help offset the cost of the mag. We were particularly pleased because it was a very stormy day- with a sleety-hailstorm at one point!

As the village grows, we are going to need to increase our print-run, so we are very grateful for anything that helps us keep the mag cost-free to all our residents. If you would like to make a donation towards the mag, the bank details are:

Bomere Heath Parish News
Sort Code. 30-90-89
Account No 46107060

At the event, we invited people to share things they enjoyed about living here, and/or good memories. Here are some responses:

'The friendliness of everyone'

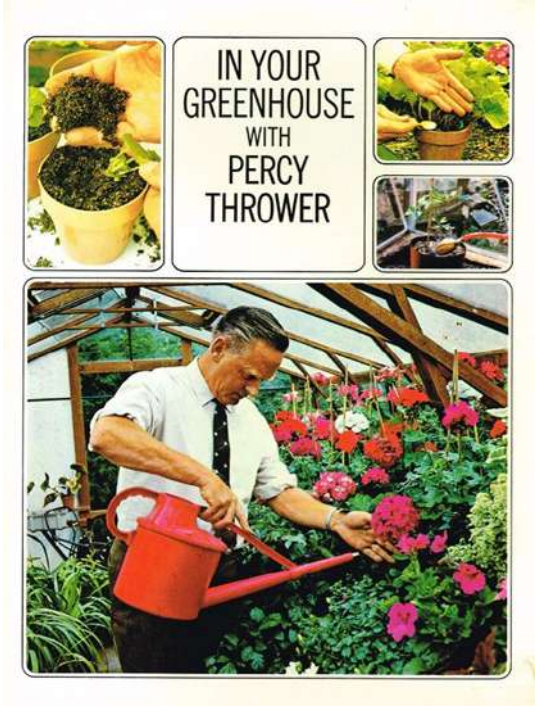
'The 2000 millennium fireworks in Bomere Heath. Especially memorable, as I was nine months pregnant!'

'Fete and Fundays we have had over the years, everyone joining in and taking part.'

Percy Thower's Greenhouse lives on!
By Bob Tuckett

This edition of our centre-spread focuses on the fate of a greenhouse linked to a famous former resident of our patch.

Percy Thrower was one of Bomere Heath's more famous residents, building his own house, "The Magnolias" at Merrington in 1963. He was Parks Superintendent for Shrewsbury from 1946 to 1974 and many will know him as the Blue Peter gardener.



Although not his original greenhouse, the 50 square metre aluminium-framed greenhouse (thought to date from the 80's) was languishing in the Quarry just behind Claremont. It was in a state of somewhat disrepair and was attracting vandalism.

Shrewsbury Men's Shed offered to adopt the greenhouse and it was gratefully donated to us by Shrewsbury Town Council.

With the help of our many sponsors and supporters, we were able to give it a new lease of life: first we laid new footings next to the Men's Shed on our Showground site and then dismantled the greenhouse like a giant meccano set. It was then transported and lovingly rebuilt and restored. We even managed to salvage much of the glass. Water and electricity were connected, paths were laid and staging built.

On Nov 13th 2024, Percy Thrower's greenhouse was formally re-opened by his daughter, Margaret.

The greenhouse has been enthusiastically embraced by our green-fingered Shedders who have well and truly lit the "green fuse". Amongst many horticultural activities, we grow bedding plants and create hanging baskets,

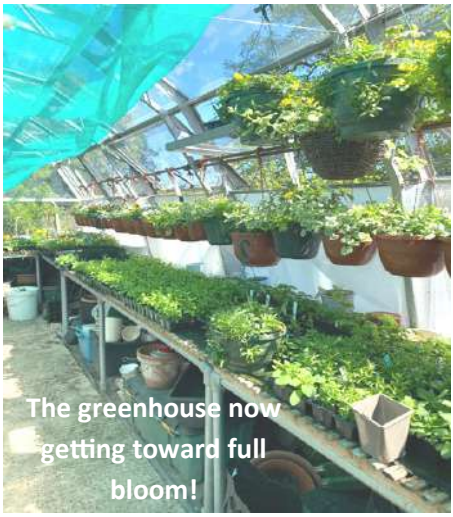
both of which are for sale with the proceeds going to Shrewsbury Men's Shed.

Percy Thrower's greenhouse is also used as part of a Horticultural Therapy course supported by the Lingen Davies Cancer fund.

You are very welcome to come and see the greenhouse at the Men's Shed on the West Midlands Showground – we are open every day of the week and can be accessed via Gate 4 of the Showground.

If you fancy joining Shrewsbury Men's to take part in our many other activities, please check us out on our website https://shrewsburymensshed.co.uk/ or simply drop in. We are open 6, sometimes 7 days a week.

The Greenhouse in its original location.



The greenhouse now getting toward full bloom!

PRESCOTT SURGERY PATIENT NEWSLETTER With Premises Update May/June 2026
Latest News from The Surgery – From Nick Storey, Business Manager, The GP Partners of the Surgery & Jackie Jones, Chair, The Patient Participation Group.
The Patient Group would like to thank all patients who have supported the surgery with their involvement and made their comments on the Shropshire Planning Portal regarding the need for infrastructure investment when planning applications are submitted and subsequently approved.
Everyone has a right to their opinion and those who are supporting the need to develop the surgery in line with the building of new houses in Baschurch and surrounding villages are helping to champion this matter. The Patient Group will continue to support the practice with whatever action is required and in order to ensure services to patients are protected. However without investment for the surgery it is inevitable that there will be a detrimental impact on patient services and an impact on the wellbeing of all staff at the practice.
Thank you to everyone who has recently provided support and those who continue to support the need for investment in Prescott Surgery.

Carers Project

The Patient Group together with the support of the practice will be launching an imitative to review, develop and implement new processes to support the carers of others. A carer is defined by NHS England as - ***A carer is anyone, including children and adults who looks after a family member, partner or friend who needs help because of their illness, frailty, disability, a mental health problem or an addiction and cannot cope without their support. The care they give is unpaid. When we refer to carers, this is inclusive of both adult and young carers*.**
The Patient Group are currently working on an implementation plan, and we will update you further in the next newsletter.

Staff Changes

It is with sadness that we have to announce that Dr Zoe Hook will be leaving the practice at the end of June. The Patient Group would like to thank Dr Hook for her services to patients. Dr Hook will be greatly missed, and we all wish her well with the forthcoming birth of her baby. We would also like to welcome Lead Nurse Darcy Rogers.

Jackie Jones, Chair - Prescott Surgery Patient Group

Prescott Surgery premises statement- an update for patients May 2026

Many patients have asked about our plans for new or improved practice premises. We would like to explain the current situation clearly and openly.
The GP partners, Dr Guildford, Dr Stone and Dr Booth own our existing building which was designed and built many years ago. The cost of mortgage repayments is covered by the NHS who pay the owners of GP premises a notional rent based on a valuation of the premises by a District Valuer. Whilst we ensure our surgery is well maintained to keep it clinically safe and functional; the premises no longer meet modern standards for primary care and cannot easily be adapted to do so.

Over many years we have actively explored all potential options in conjunction with our local Parish Council, NHS Shropshire Telford & Wrekin Integrated Care Board (ICB), Shropshire Council and a consultancy firm that specialises in new GP premises. We have considered in detail the main options of extending our current premises and new built premises with more car parking on a different site. Our current site is restricted, so an extension of the premises would not meet future demand as the local population increases and this would also impact negatively on our limited parking facilities. Therefore, new premises on a different site is the preferred option.

Unfortunately, the build costs for new premises that need to meet rigorous NHS standards is significantly more than the value of our current premises (we were quoted approximately £5-6 million when we explored this in detail in 2022-23). Whilst we do not have an accurate figure for what notional rent would be available, we do know that this would be significantly less than the mortgage costs for new premises, so there is a significant funding gap that needs to be filled.

In January 2023 we submitted a Project Initiation Document (PID) to Shropshire Telford & Wrekin ICB as the first major step to progressing to a new surgery on land that had been earmarked for new GP premises within the village. Following this, the ICB agreed that our current premises were not sufficient to provide primary care facilities to our registered list. Unfortunately, whilst the ICB recognised the need for new premises in Baschurch, there was very little funding available within the NHS both locally and nationally to fund new GP premises. The funding within the NHS for primary care premises development remains very constrained currently.

We have discussed with Shropshire Council about potentially releasing CIL (Community Infrastructure Levy) funds that are generated by new housing developments to part fund new premises but the figures that potentially could be released would be insufficient for us to proceed.

As many of you will be aware, a recent planning application has been submitted for another housing development within the village, and part of the application proposes reserving land for new GP premises. The developers have engaged with us on this but unfortunately, without significant funding from the ICB or from a combination of the ICB and other stakeholders, no progress can be made.

We fully understand the frustration and disappointment this causes and we share that frustration. We want modern, accessible premises that support safe care for our growing population — but GP practices cannot self-fund large builds, and proceeding without secured NHS backing is not possible.

We continue to:

- actively engage with the ICB, developers, and planners
- press for appropriate NHS investment
- maintain and improve our existing building where possible

As soon as there is confirmed progress that we are allowed to share, patients will be updated immediately.

Thank you for your understanding and continued support.

Dr Guildford, Dr Stone & Dr Booth

The Changing Face of Food Poverty

by Anni Lawrence, Community Outreach Administrator, Foodbank Plus

Many people associate food poverty with large towns and cities, but the reality is that it can affect families in our villages and rural communities too. No one ever expects to need the support of Shrewsbury Foodbank, yet every week we meet people from across the area who have found themselves in difficult circumstances and who need a helping hand in a crisis.

For most, the main challenge is financial pressure. The rising cost of fuel, electricity and food has made it harder for households on limited incomes to make ends meet. While many people manage carefully from month to month, unexpected expenses such as emergency car repairs, broken appliances, or sudden bills can quickly push a household into crisis. We have seen a real increase in double income households, showing how much the rising cost of living is affecting people across the county.

We also support people who have experienced sudden changes in their circumstances. This might include those who have lost their jobs through redundancy or ill health and are waiting for their Universal Credit payments to begin. Others may have lost their source of income because a small business has had to close.

In recent months we have seen a number of people affected by fraud and scams. Sadly, increasingly sophisticated cyber criminals can take control of bank accounts or savings, leaving individuals and families without access to their own money.

Among those we support are people fleeing domestic abuse. Many have had to leave their homes quickly, sometimes relocating from other parts of the country, and arrive with very few possessions and little financial support. In these situations, the foodbank can provide essential help while they begin to rebuild their lives.

Whatever the reason someone comes to Shrewsbury Foodbank, our aim is always the same: to offer practical help with compassion and without judgement.

We hope this article gives a small insight into the wide range of situations that can lead people to seek foodbank support. If you would like to find out more, need support, or would like to help in some way, please visit www.bcp.onl or phone **07421 745857.**
