Membership Preference Register 2024

Dear Member,

In planning for the coming season and to support individual and team development, the Team Captains need to be aware of members' preferences for the 2024 **playing** season. The number of teams entered into the undermentioned bowling leagues, to which our Club is affiliated, is dependent on availability and commitment of members to play competitively in leagues' fixtures.

- **Mid Shropshire Bowling League** – mixed gender teams playing on Monday, Thursday, and Friday evenings.
- **Mid Shropshire Seniors' Bowling League** – male members aged 60 and over playing on Wednesday afternoons.
- **Wolverhampton & South Staffs Bowling League** – mixed gender teams playing on Saturday afternoons.
- **Highley & District Bowling League** – mixed gender teams playing on Tuesday evenings.
- **Shrewsbury & District Bowling League** – lady members playing on Tuesday evenings.
- **Telford & District Bowling League** – lady members playing on Monday afternoons.

Social Bowling: It will also be helpful if members who do not wish to bowl competitively but are interested in participating in social bowling activities on Thursday mornings indicate their preference to do so.

All you must do, to ensure your preference is registered, is place a tick in the appropriate boxes below. However, should you wish to be considered to play on a Monday and Friday in the Mid Shropshire Bowling League, please confirm your primary preference by also putting a tick in the preference column Monday or Friday (not both).
