

Many thanks to Thimbles who made this fabulous quilt and donated the raffle proceeds to MCA at the Christmas Fayre. This annual kind-hearted gesture is most appreciated.

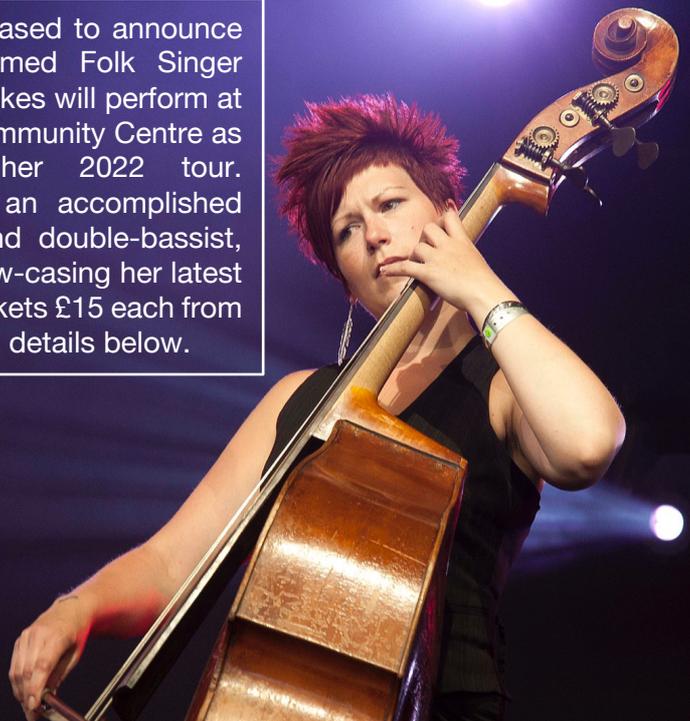

Two very welcome respites from the winter doom and gloom; visits by Pickwicks Pizzas in December and Madame Crepe in January were well received by Misson villagers. MCA is open to suggestions regarding other vans you would like to visit the village.

MCA meetings every third Wednesday 7.00 pm in the Community Centre

We would welcome new Committee members, from any age group. Come along to the next meeting to see how you might fit in, what you could offer and discuss any ideas you might have. If you are planning an event, please consider using the Community Centre, a valuable village asset, and available to all.

We are pleased to announce that acclaimed Folk Singer Miranda Sykes will perform at Misson Community Centre as part of her 2022 tour. Miranda, an accomplished guitarist and double-bassist, will be show-casing her latest album. Tickets £15 each from Viv Shilling, details below.

Saturday 4th June The Queen's Platinum Jubilee Celebrations

We are planning a float with a King and Queen from village children, with a procession through the village. Everyone can dress up and join in. This will be followed by Jubilee Games on the School Field, with treats and competitions for all. Full details to be posted later, but if anyone can offer help with the organisation, please contact Sue Howard on 07958 007558 Thank you.

Community Centre Repairs and Maintenance

MCA is a charity, responsible for the upkeep of the Centre under a lease granted by MPC. We rely on funds from the 100 Club, small fees for the hire of the Centre, events put on by MCA, and donations. Thankfully, a one-off grant was received for loss of income due to Covid. Funds are used for heating, electricity, cleaning, and maintenance. Repairs to the drains, roof, acoustic improvements, new chairs, and tables, are all on the list, so your continued support of MCA is wonderful.
