**Polite request**, from the old couple who look after the green: could villagers please note that the litter bin on the green is not the place to dispose of dozens of beer bottles and the like – they should be recycled in your own green bins. We empty the bin on the green and when it is full of said bottles, the internal bucket is too heavy to be lifted out to dispose of the contents. It isn't much fun digging around in bags of dog poo and other wet and soggy litter, to remove these bottles, first!!! Many thanks, Michael and Rosemary Smith

## Grafty Gourmet

This is another great but simple recipe. You can change the amount of mustard used, depending on your taste. I have used Conchiglie (shell shaped) pasta in this recipe as I find it holds the sauce well, but you can use any pasta of your choice.

### Sausage in Creamy Mustard Sauce

Ingredients (Serves 2):

A good glug of olive oil  
2 onions, peeled and sliced  
2 mugs of pasta, such as conchiglie  
6 good quality sausages  
1 small handful fresh flat leaf parsley,  
roughly chopped, plus a little extra for  
serving  
2 tablespoons of Dijon mustard  
1 tablespoon of wholegrain mustard  
1 small pot of double cream  
salt and freshly ground black pepper

1. Heat the olive oil frying pan and fry the onions until they are very, very soft, but not burnt. Put the lid on so they steam as well as fry, for about 8-10 minutes. Meanwhile cook the pasta in boiling salted water according to packet instructions.

2. When the onions are caramelised, skin the sausages and rip the meat into good ball sized chunks and add to the onions and cook for a few minutes.

3. Add in the flat leaf parsley and stir in the mustards. It's up to you to add as much or as little as you like of each.

4. Stir in the cream and season with salt and pepper, adding more mustard if you want. Drain the pasta and add to the cream and sausages and stir well. Serve immediately with an extra sprinkling of chopped parsley.

## Village Hall News

[www.graftygreenvillagehall.co.uk](http://www.graftygreenvillagehall.co.uk)

It's **St.Patrick's Day** on **Saturday 17 March** and we offer you another of our famous **'themed' meals** at the Village Hall. This time enjoy a Guinness or two with your Irish-style 3-course meal accompanied by live Irish music from 'Strictly Ceilidh'. Tickets are on sale now from the village shop (thank you Rob, for this facility) at our usual price of just £15. A veggie option is available - details are on the tickets.

Whilst on the subject of food and fun, we hope you all enjoyed your pancakes at the Hall on Shrove Tuesday. This was the first time we had run a venture on these lines but we will certainly do so again. Building on the experience of this year we will offer an even better experience next time!

Those attending the Pancake Day event may have noticed that we now have on the Hall wall our first attempt at a "Community Roll of Honour". I have mentioned this from time to time over the last year, but it has taken a while to pull it together. The idea is that we wanted to honour publicly those local residents, no longer with us, who in their lifetimes contributed exceptionally to village life in Grafty. The next time you are in the Hall, do take a look - and do let me know what you think. In particular, if you think there are other former residents who deserve to be honourably mentioned, do give me details.

*Richard Pilborough*, Hall Committee Chairman

### Live Band at the Harrow

Back at the Harrow pub in Ulcombe on **Friday 23<sup>rd</sup> March** is local band "Group Therapy", playing hits from the 60s to the noughties. Listen, sing along, or get down and boogie!

Expect everything from The Everly Brothers to Cold Play - via The Eagles, U2, Crowded House and very many more. Whatever your decade, there will be something for you.

Music starts at around 8.30pm. Phone 01622 844422 for food options and other info.

## Grafty Green Gardening Club

**Tuesday 27<sup>th</sup> March** is our **April** meeting – mainly because the first Tuesday of April is so close to Easter and we thought you might like to prepare a beautiful floral display in time for the Easter Weekend. The talented and creative Sandra Pilborough will be demonstrating and giving ideas on how to make a display with spring flowers. All materials supplied but feel free to bring some of your own home grown flowers to use in this practical session. This also coincides with the Spring Show; schedules available from 6<sup>th</sup> March meeting.

The Royal Horticultural Society (RHS) is alerting the public to a new plant disease – ‘The Charity is warning of a new threat to popular UK garden plants, including cherry, lavender and rosemary. *Xylella fastidiosa* – a bacterium that restricts water movement in plants – has already caused devastation on the continent. Future-proof your gardens by visiting [rhs.org.uk/science/plant-health-in-gardens/protect-your-garden](https://www.rhs.org.uk/science/plant-health-in-gardens/protect-your-garden) for advice.’

*Still Furred – a poem by Pat Ingoldsby – inspired by daffodils preparing to open.*

If you listen really carefully  
In Fairview Park this morning  
You will hear the daffodils  
The very nearly daffodils  
All of a tremble  
Whispering to one another  
“Is it nearly time?  
Is if nearly time?”  
And one particularly anxious one  
Whispering to her neighbour  
“Remind me again!  
Remind me again!”  
“Yellow”

6. Further Information – there were no items of information reported to the meeting

## Local Residents, we need you!

Volunteering can be wonderful and fulfilling, it can provide help and support to those who need it the most.

At Macmillan Crossroads Care Kent & Medway Volunteer Service, we support people affected by cancer and their carers. Our team provide quality information and guidance, along with a helpful assessment process to understand what support is needed. Currently our volunteers provide:

- companionship
- emotional support
- light housework or gardening
- social outings
- shopping
- escorting to medical appointments

One of our valued volunteers Isabel has expressed the following; *"I became aware of the Macmillan Crossroads volunteer opportunity whilst volunteering for Pilgrims Hospice and they asked me to come in for an interview. The rest is history (well over 3 years of it) I visit people in their homes do bits of light gardening, light housework, shopping trips, health appointment visits and cups of tea and chats. I even get to work once again with students as I am lucky enough to be part of training and supporting 6th form students in this type of care work. The rewards are immense I have learnt so much from these people about lives led challenges faced and to still be faced, all is put into perspective. Life is for living and sharing even when time maybe in short supply. Give it a go Every visit is different and being part of a team is very enjoyable."*

Can you spare some time each week?

Do you have a good listening ear, the first and most important part of helping?

Do you have a special interest or skill that someone could benefit from?

Volunteering is a very positive addition to your CV as it can demonstrate your commitment to a work ethic and your caring nature. There is also in-house training available for all volunteers and volunteering expenses can be reimbursed in line with our volunteering policy.

Local volunteers are required to help local people.

At the moment, volunteers travel from all over the west Kent area to help local residents.

If you feel you'd like to make a difference when someone needs a helping hand, contact Jen or Charley on 01622 817114,

## Spring Update from Ulcombe School

We are already half way through a busy year ! I write this just before the February half term, with frost on the ground and temperatures below freezing. The children have certainly enjoyed the snow fall we have had this week, however the staff and I are looking forward to the warmth of the forthcoming spring !

As in any school the year so far as been busy, the most notable events being a visit from several members of parliament, the Christmas nativity and fair and a valentines disco!

**Visit from the women and equalities committee:** Several members of parliament visited the school in November as we have been recognised as a centre of good practice in inclusion - providing education for pupils from different ethnic backgrounds. The children thoroughly enjoyed telling the MPs all about their school and what makes it special. County and borough Councillors also joined us for the visit.

**Christmas Nativity:** Each year our youngest children perform a traditional nativity. This year it took place at the church which was a wonderful setting. We are grateful to the Len Valley ministry team for assisting us and coming into lead a weekly worship with the children

**Christmas Fair:** We have a small but dedicated PTA who organise events throughout the year, to help fund trips visits and equipment for the children. This year the fair included a visit from Santa, lots of homemade crafts, games and the ever popular chocolate tombola! It was well supported and raised just over £400 for the school.

**Valentine disco:** The end of this week, brings our Valentines disco, an annual event that the children thoroughly enjoy. A chance to dress up, dance with their friends and visit the ever popular tuck shop !

**Trip to the O2 arena:** 7 children from the Ulcombe School Choir travelled to the O2 arena in London on Thursday 1st February to take part in Young Voices. The children practiced and learnt 18 songs in preparation, and then performed them with 8000 other children on the night! They all had a great time and were very excited to have a late night, not getting back to school [until 11pm!](#) They were up bright and early the following morning, ready in their fancy dress for maths day in aid of the NSPCC.

**Mother's Day Cream Tea:** [On Friday 9th March at 2pm](#) we will holding our weekly celebration assembly followed by a cream tea. Any villagers who would like to join us to celebrate the children's achievements and enjoy a homemade scone are very welcome.

We always welcome visitors to the school so please do pop in to see what the children are enjoying in their learning and play.

### Cashless Parking

All car parks in Maidstone now have the facility to pay for parking via The RingGo smart phone app or by phone; this:

- Speeds up the payment process
- Removes the chance of 'face down' parking tickets leading to penalty charges
- Allows you to extend your stay when away from your vehicle.

Civil Enforcement Officers receive live payment information for more accurate enforcement. Every car park has a location number and a phone number for you to call and pay for parking.

Once you have downloaded and installed the app, you will need to register your **car registration number** and a **payment card**. Then to pay for parking, all you need to do is type in the location number, tell the system how long you want to park and then confirm your payment card security number. It remembers where you last parked, allows you to extend a recent parking or open parking history so you can select to park again in regular car parks.

You never have to worry about having enough change on you, parking close to the meters, or best yet, getting a parking fine if you are running late or want to shop for longer. You can sign-up for text reminders so you don't even have to remember how long you paid for initially.

There is also a website which has more information and services, to register for this go to: <https://www.myringgo.co.uk/register>. You will need to provide details about **yourself, your car and a payment card**. The website, once logged in, will give you information about your account, you can print VAT receipts, and there is a handy parking locator.

This service is available throughout the UK, so it's not just in Kent.

## Christian Message March 2018

By the time you read this, Easter will be approaching, bulbs will be blooming everywhere, you may have booked your summer holidays, and many of you will have already sneakily eaten a chocolate egg!

In all of this there's a sense of optimism, of hope for the future, of having thrown off the darkness that seems to descend in the early year and of hope. And of course, Easter is what hope is all about. Christians believe that alone in history, Jesus has overcome death-and if you think about it, that's a pretty significant claim. But they also believe that the eternal and abundant life that the Bible talks about starts NOW-not when we die.

Of course, abundant life now doesn't mean we are all living in a happy bubble where nothing goes wrong. Some of the most joyful Christians I know struggle with huge issues- as I write I can think of redundancy, bereavement and cancer as three things that three of the liveliest Christians I can think of are facing. It's more that these three folk have an inner strength that carries them through those difficult places, when they are up but also when they are down. What I really mean is *a person* to go to who loves them, gives them strength, listens when they laugh and weep.

That person is Jesus- the one who showed us the nature of a God who loves us.

If you feel hope with emerging Spring or if you are struggling with the cards life has dealt you (or both)-my prayer is that you will find God with you-on your side. If you struggle to find Him, come and talk to me, or Millie, or anybody in any Christian church, and ask them to help. Easter blessings be with you!

**John P. Huggins (01622 850280)**
