For 23-24 April Skies Accounting will carry out an interim audit at all councils where we are engaged for internal audit services.

We are writing to confirm the terms of our appointment. This engagement letter sets out the basis on which we are engaged to act as internal auditors and our respective areas of responsibility.

I. Responsibilities of the Council

- 1.1 The Council is responsible for ensuring that it maintains an adequate system of internal control, including measures designed to prevent and detect fraud and corruption. For clarity, responsibility for safeguarding the assets of the Council and for the prevention and detection of fraud, error and non-compliance with law or regulations rests with the Council.
- 1.2 The Council is also responsible for ensuring that accounting statements are prepared in accordance with the requirements of accounting regulations applicable to parish councils.
- 1.3 The Council should make available to internal audit, as and when required, all accounting records and all other relevant records and related information, including minutes of all meetings. We are entitled to obtain from the Council's members and employees any information or documentation we think necessary for the performance of our duties as internal auditors.
- 1.4 We, as your internal auditors cannot absolve management of responsibility for internal controls and must ensure that we are not involved in the operation of controls or making management decisions as such activities may compromise our objectivity.
