2. Declaration of Lobbying
 - I. Declaration of Changes to the Register of Interests - none
 - II. Declaration of Interest in items on the Agenda - none
 - III. Requests for Dispensation - none
3. Planning
 - I. Recommendations made on the following planning applications:
 - i. 19/501121/FULL. Land at East Sutton Road ME17 3DT.
Erection of equine stables for private use.

The Parish Council resolved that this application be refused and are prepared to go to Committee on this. The proposal is too large for this site and would be intrusive in the Countryside. This is not an agricultural business and is for private use, the Parish Council questions whether DM41 is relevant as quoted by the applicant. The Parish Council believe that this is agricultural land and query whether this would change the status of the land to equine.
