Welcome

The Chairman Cllr.P.Banham welcomed all present to the meeting, and invited Mr. Jonathan Horsfield of the County Council to address the meeting.

Mr.Horsfield gave a presentation on a proposed solar array that the County Council wishes to build on land adjacent to the A426 (a closed ex landfill site) just past the Stockton crossroads. Access to the site will be from the Long Itchington to Stockton Road. The main drivers for this proposal are not only an environmental issue but also a potential income stream for the County Council. There will also be a form of energy storage at the site utilising batteries which will be stored in a secure location.

Mr.Horsfield also noted that a full consultation with residents of the village will take place in the Village hall on Friday 10th March 2017 from 2.00pm until 8.00pm.

There was a full question and answer session with Mr.Horsfield and Parish Cllrs during which Mr.Horsfield indicated that all concerns by the Parish Council and residents should be raised with the County Council at the open meeting and also once a formal planning application has been processed.
