

# Further Club Information

## Bowling for Beginners

Even if you have never played bowls before, our qualified and experienced coaches are always available with help and advice. They run initial coaching courses.

After a short while new members are encouraged to join our social bowling games, designed to improve bowling skills and provide an opportunity to meet other members.

## Further bowling Opportunities

To further develop bowling skills and to experience competitive bowling, the club arranges several "Friendly Matches" against other clubs. These matches are always played in a good spirit and are available to all club members.

It is hoped that as bowlers gain more experience they will be invited to play in our full programme of "League Matches" against other local clubs.

Further bowling opportunities include "Day Trips" to clubs further afield and the occasional bowling holidays at home and abroad.

## Cost of Bowling

- There is currently an annual subscription of £155 with no further playing charges other than a joining fee of £45.
- Non-playing Partners, may join as a Social Member with an annual subscription of £30
- There is no need to **initially** purchase bowls or shoes as these would be provided on a free loan basis. In addition the club operates a facility for the purchasing of secondhand bowling equipment from other members.

## Social Activities

Apart from arranging a full bowling programme the club also organises a wide range of social activities which include:-

- *Coffee Mornings*
- *Luncheons and Dinners*
- *Whist evenings*
- *Bridge evenings (tuition provided)*
- *Skittles evenings*
- *Outings*
- *Quiz evenings*

Much of the catering is carried out by the club's Social Committee and offers exceptional value for money.

Once a year the Club holds it's Annual Dinner and Dance where prizes are awarded to all the competition winners and runners-up.

## Interested?

Why not come along to the club and try bowling for yourself. Just phone one of the contact numbers to arrange for a visit. There is no commitment to join but you are assured of a warm and friendly welcome.
