HOW TO GET INVOLVED

- Pick up any litter when you see it
- Weed in front of property particularly near walls and possibly road kerbside.
- Brush pavement and road in front of your property and a neighbours if appropriate
- Put a planter near your property
- Help water any planters that look thirsty. Many of these are in communal spaces and we would appreciate help with this. Similarly plants on street corners.
- The odd dandelion appears in the borders at the bottom of the Ridgeway. Feel free to weed any time. Dead heading daffodils
- The bus stop noticeboards always need extra pinning and staples removed. Discard out of date notices
- Sweeping of bus stops particularly cigarette butts and fallen pins
- Wipe down any dirty benches and street signs.
