Care and support through terminal illness

Update on the Blacksmiths Arms.

Following the birth of our baby Alexander in December we have now made the tough decision to leave the Blacksmiths Arms to focus on raising our little boy. For the foreseeable future it is business as usual at The Black-

smiths Arms so plenty of reasons to keep supporting your local, with the pub open 7 days of the week and food served Wednesday - Sunday, plus of course the fantastic beer garden now that the weather is warming up! Thank you to everyone who has supported us over the last two years, we

will certainly miss our regulars and we will take many happy memories with us.

And of course a massive thank you for all the kind wishes and gifts which were so generously given to Alexander.

Scams.

Barclays Bank.

Barclays Bank have informed Trading Standards they have noticed an increase in the amount of customers who state they have received a phone call from a person either purporting to be from the police or from the bank telling them there is fraudulent activity on their account and instructing them to go to the bank and transfer money out of their account into a 'safe' account.

They will often inform the person not to tell bank staff what they are doing as it is believed that bank staff are involved in the fraud.

THIS IS A SCAM and the account you are told to transfer your money into is one operated by the criminals. If you are in any doubt please contact the bank direct.

TAX REBATE FRAUD ALERT

NHS members are being targeted by tax rebate companies, purporting to offer services whereby they obtain a tax rebate on the victim's behalf. However, the company obtains the refund but does not provide any of the funds to their customer, leaving victims over £34,000 out of pocket. Information suggests that the companies have managed to infiltrate NHS practices hospitals as part of training open days and in lunchtime meeting sessions for staff. They also advertise their services to staff members and have been known to set up stands in the reception or

restaurant areas.

The companies request the victim sign forms which give them permission to liaise with HMRC on their behalf, stating their fee will be charged to the rebate received. HMRC have confirmed that they have issued refunds to the companies in relation to requests received and authorised by the staff member. Once the refund is obtained all contact with the companies are broken and the victim does not receive their rebate.

Tax rebate fraud does not only affect NHS staff but can also affect Police Officers, airline staff and teachers. However this list of professions is not exclusive and anyone can be targeted.

Crime Prevention Advice

- Do research online to ensure the company is reputable by checking the registration details are correct and by viewing feedback online.

- Do not feel pressured to sign documentation without doing some basic checks.

- Do not respond to unsolicited emails, texts or calls offering rebate services.

- Make sure that you are aware and agree to the commission that will be paid to a rebate company prior to signing any documents.

Cold Callers.

North Yorkshire Trading Standards have noticed an increase in the number of reports of fish sellers cold calling residents in North Yorkshire, pressurising them into buying large quantities of fish they do not want or need. Please do not purchase from

traders who cold call at your door.

Fake bank letters.

The convincing letters being sent are a replica template from Lloyds and include their logo, address and signature from a customer service representative.

The letter tells recipients that there have been some "unusual transactions" on their personal account and asks them to call a number highlighted in bold to confirm they are genuine.

When victims call the number, an automated welcome message is played and the caller is asked to enter their card number, account number and sort code followed by their date of birth.

Victims are then instructed to enter the first and last digit of their security number.

The fraud was spotted by the Daily Telegraph who was alerted to it by a reader who had three identical letters sent to an office address. On separate occasions the Daily Telegraph ran some tests using fake details and were passed to fraudsters who claimed to be from a Lloyds contact centre. The bank has confirmed that the phone number and letters are fake.

The letters are essentially a sophisticated phishing attempt and serves as a warning to consumers to question written correspondence from their banks.

Burglaries.

There have been a number of burglaries overnight between 13+14th March around the Ryedale area. Pay attention to any suspicious behaviour.

Swinton and District Excelsior Band

The contest season is over and the concert season is rapidly approaching.

Our first contest as a section 3 band resulted in a very respectable 6th place at Durham with some very positive remarks from the adjudicators which encourage us for future contests. These are the Bolsover Festival in October and The Yorkshire and Humber-side Association contest in Dewsbury Town Hall in November.

Until then our thoughts turn to our concert programme for the summer.

Anyone passing the band room on rehearsal nights may now hear such diverse items as excerpts from the operas to music from 'Saturday Night Fever' and everything in between.

We start off our season at Sewerby Park, Bridlington on Sunday April 23rd, with the training band at the Slingsby

May-Pole celebrations on Monday May 1st, and will be out most weekends through to September.

Anyone who has looked at our website lately will have noticed, It has not been updated for a while. This is because it is undergoing a complete revamp. Our website wizard, euphonium player Jacob assures us that once finished it will be better than ever so watch this space! We hope to have it up and running in the next week or two.

We are still looking for one or two players to strengthen our line-up especially cornet players with experience but any experienced brass or percussion players will always receive a warm welcome.

We are also recruiting for our Training Band.

Adults and children are welcome to come along on Friday evenings where they will receive free lessons and

instrument loan and get the chance to play in a band for free.

So if music lessons at school are getting too expensive come along and see us for a more affordable alternative.

We are always pleased to welcome 'lapsed players', anyone who has played in the past, either at school or who had to stop playing for past work or family commitments and who would like to start up again.

We are a friendly bunch and would love to welcome some new members for both bands so come along and see what we have to offer either at the band-room in Swinton, at one of our concerts or just call us.

If you are one of these people please contact Steve or Tracey on 01653 696417 or e-mail

Swinton Play Group

It has been a busy Spring Term full of wonderful celebrations and lots to learn about in our environment.

We have been on spring walks around the village looking at all the bulbs growing and new growth in the hedgerows.

The children have been fascinated with a birds nest in the garden at Playgroup and it inspired us to make our own craft one. We have started our mini-beast explorations too. The children have enjoyed lovely art activities with Yvonne Burnett who very generously gives up her time to do wonderful art activities with the children every Thursday afternoon. The children so look forward to her coming and they take spectacular things

home with them after the activities.

Easter has been so fun to celebrate and we have looked at the traditions of Easter and the fun traditional activities involved with the celebrations. We even decorated our own Easter willow tree with eggs, had an Easter egg hunt to find our very own bags of Easter treats and had fried egg and spoon races in the garden. Swinton Playgroup is having a Tombola in Morrison's on Monday the 24th April starting at 9.30am.

We have some fabulous prizes to help raise funds for our Playgroup. Please come along and see for yourself and win some great gifts. We also have "Bags 2 School" on Thursday

27th, so please if you have any spare bags of unwanted clothes please could you bring along to the Reading Rooms to again help us raise much wanted funds towards Playgroup, we would be very grateful and appreciative. We also collect Sainsbury Active Kids vouchers too.

We have a few spare places left for the Summer Term so if you have a 2,3,4 year old who would be interested in joining us please ring 01653 695020 and ask for Jennie Smith (Leader) or Jane Wright (Designated Leader) and Hayley Revis (EYFS Practitioner) and we will show you around our small friendly Playgroup.
