Basingstoke & Deane Changes to Bin Collections

Together with our contractor Serco we are making some changes to waste, recycling and garden waste collections in the borough.

From the week beginning Monday 22 July 2019, over half of the borough's households will see a change to the day, recycling week or the time their bin is collected. Most of our garden waste customers will also see a change.

These changes are necessary to ensure the smooth running of the service both now and in the future. They will reduce the distances bin trucks are travelling, revise the routes to incorporate new homes in the area and simplify collections for some residents so their glass and recycling is collected on the same day.

Most importantly, you will still receive a weekly waste collection and a fortnightly recycling collection.

Leaflets will be sent to all households during the first two weeks of July. These will contain details of your collection day, your new timetable and any additional information that may be relevant to your household.

Information will also be available from 1st July at www.basingstoke.gov.uk/bin-changes

New bin collection dates will start from Monday 22 July.

A leaflet titled 'Changes to your bin collections' with a green background. It includes a 'Day' section with a calendar icon and a diagram showing two collection days: 'Waste bin, recycling bin and glass box' and 'Waste bin only'. A note says 'Extra bagged grey bin waste will be taken on this day'.

A leaflet titled 'Changes to your garden waste collections' with a green background. It includes a 'Day' section with a calendar icon and a photo of a brown garden waste bin. A note says 'Please put your garden waste bins and sacks out by 7am and follow the calendar overleaf'.

POLICE UPDATE

Dear Residents

I am pleased to report no crimes of note for the parishes of my area within this magazine, I am obviously aware of the recent dog related incident in Newnham which is being investigated. In nearby Lychpit and Old Basing there is still reports received of vehicles being broken into including vans for tools, seven over a thirty day period. In nearby areas we have experienced some further opportunist thefts from gardens within the recent weeks, overnight of May 15th and 16th a large metal ornate post box was stolen from a house alongside the A339 at Herriard, the same night also in Herriard a staddle stone top (top of the mushroom stones) was stolen from a garden in Upton Grey a metal garden sundial was stolen from a garden along the Upton Grey Road towards Greywell. I continue to urge residents to please keep sheds and vehicles secure, record / photograph expensive tools and machinery and etch or mark postcodes on expensive items.

Many thanks as always

Kidzone

Howdy partners!

So, why might I be talking cowboy this month? Well, when I looked up what a cowboy's job was, the internet told me that his prime role was to stay around the herd, keeping an eye open for any cattle, especially the weak or the young, which had gone

astray from the rest and bringing them home safely. That might mean travelling miles out of his way, fighting off would-be predators, gently disentangling a young animal from the bush or even picking it up,

placing it on his horse and carrying it back to where it belongs. He also leads the herd – but often not from the front, but the back, so he can guide the weakest ones and make sure no one is left behind... I wonder if that reminds you of a story in the Bible? Jesus talks about being the good shepherd, who always looks after his sheep. He guides us and shows us the way, but we're sometimes like those sheep – getting lost or tangled up in things we shouldn't... When we

make mistakes and get lost because we make bad decisions, he's always there, looking for us, untangling our mess, picking us up and taking us home. And when he gets us home, he doesn't tell us off and ground us for a month – no, he forgives us and celebrates that we're back! Isn't that great?!

Thank you, God, that Jesus is a good shepherd, who loves us, leads us, feeds us and protects us. Help us always to stay close to him and to follow him. In Jesus' name.

Amen

The Cowboy Code:

The cowboys of the Old West had an unwritten code that they lived by. The code included such rules as:

- be courteous,
- always say "howdy",
- don't wave at a man on a horse (you should nod),
- never ride another man's horse without his permission,
- always help someone in need,
- and never put on another man's hat.

They sound like pretty good rules even now!

For more fun and games from the Wild West, come and join us on our Calamity Creek holiday club this summer. See y'all there!

Expect songs. Expect games. Expect crafts. Expect silly costumes.

But most of all, expect bucket loads of rootin' tootin' laughter!

All of this, to teach us about the wonders of God, and how we can learn from him each and every day.

St Mary's Church Maintenance

Over the summer and autumn there will be various works going on at our village church. As well as internal decorating, routine maintenance tasks will be addressed such as the guttering and securing the flint, brick and stone work and updating the electrics. It will be good to have St Mary's looking its best and hope that inconvenience and disruption will be kept to a minimum.

Thank you for your support and understanding over this time.

Calamity Creek Holiday Club

Following the swashbuckling success of our Pirate Holiday Club last year the Benefice is once again running a Summer Holiday Club, this time set in the Wild West. It will run in the week beginning 5th August and will involve fun, games, craft and drama. Places are being snapped up fast so to avoid disappointment go to www.Allsaintsodiham.org.uk and follow the holiday club link.

Letter from Reverend Mary-Beth

This time of year, many people find they are very busy. It's the last month of school before children break up for summer holidays. In these last weeks, there are many school, sporting and social activities for families to attend together. We also hold a variety activities in our churches .

In Long Sutton and South Warnborough, we'll be getting ready for our annual Pet Service and a number of baptisms this month. We feel blessed to be sharing in the joy of new life (becoming a Christian) and being entrusted to care for other lives (our pets).

At the heart of all these activities is a deep joy in creation -- God's gifts of humanity, animals and the abundance of nature which surrounds us.

But when we're whizzing between activities , there's little time to truly appreciate what God gives to us.

We're too caught up in life to really appreciate how much we're blessed by it.

Slowing down the pace of living doesn't seem to be an option.

But is that really true?

It only takes a few minutes to take time out from the busyness of life and look around us; to look around and say thank-you to God.

If you're passing a church, drop in and say a little prayer of thanks and praise. Or just sit quietly for a few moments in the peace and quiet of the Church's holiness.

If you're walking the dog, or sitting down for a cup of tea before the next task, say a few words of thanks.

I like to go to the Psalms for a quick 'thank-you' prayer – turning to words like these from Psalm 105:

Oh, give thanks to the Lord!

Talk of His wondrous work.

Glory in His name.

For He is the lord our God.

Words like these, or just a simple prayer from the heart, just take a few minutes away from the busyness of life, but bring us so close to the joy of the Creator of life.

To a time of refreshment and ease -- For body, mind, soul and spirit.

God's blessings for a joyful month,

Rev Mary-Beth

Church Golf Day

The North Hampshire Downs Benefice will hold its first ever golf day on Monday 30th September this year. As well as 18 holes of golf we will serve coffee on arrival at 09.30, a two course carvery meal immediately afterwards. and will award prizes.

The venue will be Basingstoke Golf Course and if you have not played this delightful parkland course this could be your last opportunity as the club moves across the motorway to Dummer in 2020.

This will be a charity event with funds raised going to support the 12 churches in our area.

The event is open to all, men and ladies. We will play in groups of 4. If you enter as an individual, then we will put you in a group, or enter in any multiple you choose.

The cost is £85 per player.

At this stage if you are keen to play would you email lewis.scard@btinternet.com purely to register an interest. I will then revert to acknowledge receipt and then at a later stage to seek payment.

I am planning on a good number – do not let me down.
