Clive Village Hall
Chair's Report
(March 2025-February 2026)

During the past 12 months Clive Village Hall has continued to be a home to many local groups, events and activities. It is a much loved community facility that has received many kind words, from locals and visitors, about its newly refurbished facilities and its beautiful garden.

However, it is not just the physical building that creates its warm, welcoming and inclusive space. It is also the volunteers from across the community that help bring the hall to life. Volunteers such as those that provide our regular activities; Bridge Club, Scottish Dancers, the Baby and Toddler Group, the WI and the History Group. Plus organisers that give of their time to run fund raising events to support the church, school and other charities.

The village hall itself is a registered charity run by a committee of trustees. These volunteers not only ensure that the hall is a well looked after and available for community use but they plan and run popular village events such as the Clive Village Show and the Christmas Fair and together with a happy band of regular helpers they run our wonderful Coffee Shop.

All that the village hall offers would not be possible without the hard work of all these wonderful organisers, volunteers and members of the management committee. A big thank you to all who do so much to enrich the life of the local community.

Our clubs are always on the lookout for new members – get in touch if you would like to join an activity. The hall can accommodate more events and we are very happy to support any local group or individual looking to start up a club or one-off activity. Don't forget that hall is an ideal venue family get-togethers including birthday parties and christening celebrations.

There are many ways you can help the village hall continue to be a facility to be proud of: support our various events; hire the hall for your group or family event; sponsor an activity or donate a raffle prize; join CVH 100 Club; or give a donation (and Gift Aid it).
