**To include a raffle on the morning**

For more info please see Diane Hogg, Claire Parker, Jennie Durrans or Sally Ledger

Any homemade cake donations for the event will be most gratefully received. Thankyou

PosterMyWall.com

### CHARITY WALK - Diane Hogg

Not that we are jumping on my husbands bandwagon or anything, but myself and 3 friends have decided we would like to do something for charity while enjoying a challenge!

Therefore we will be walking a marathon (26 miles) in the Peak District on the 2nd September for Macmillan Cancer Support.

In this edition of the Trio you will see a couple of advertisements for our fundraising events:

One a Coffee Morning and the other a disco in the village hall including a sponsored back wax!! The unwilling victim is Shaun Thompson, a resident of Thorney and father of 3, and he is particularly hairy so it'll be worth it!

Please come along and support us at both events, tickets for the disco are £10 including food and are available from myself, Claire Parker, Sally Ledger Thompson and Jennie Durrans.

So, get your best wig on, see Shaun suffer and enjoy yourselves knowing you're also raising money for a good cause!

Further details of both events are in this newsletter, we look forward to seeing you there!

## Issue No. 208

## June 2017

Editor: Ann Williams - Owl Cottage, Wigsley Road, Harby, Newark. NG23 7EF T: 703766 E: ann.owl@btinternet.com

## Herrick TeK

**Has Windows 10 installed itself on your PC?  
(Windows 10 is no longer a free upgrade)**

**Not sure how to operate it? Then give me a call and I can help you to find your files, folders and understand how to use Windows 10.**

**Or having any other problems with your computer hardware or software?**

**Tip: Fibre broadband has arrived in Harby. If you wish to move onto fibre broadband, you need to speak to your broadband company about getting the upgrade. You will not be simply upgraded, nor will the fibre line speed up your existing ADSL broadband connection.**

**I can help with a whole range of "Tek" issues!**

**Please Call or Email me (Jason) and let me see what I can do for you.**

**(Harby) 01522 703662 - [sales@herricktek.co.uk](mailto:sales@herricktek.co.uk)**

## Children With Cancer Charity Update

22<sup>nd</sup> April at Harby Village Hall saw 100+ people come together to have fun and help me raise money for **Children With Cancer**, a fantastic charity hoping to eliminate cancer in children and to assist unfortunate people who's lives have been turned upside down by this horrible disease. The evening was ( I hope ) an enjoyable success and I thank everyone for their attendance and generosity with their money. There were a few issues with quality control of some of the food but people were generous in their forgiveness of this and all entered the spirit of the evening so thank you. I tried to thank all the people who helped that night so hopefully haven't missed anyone , but myself and my wife were once again humbled by peoples efforts towards the evening. The evening made a superb total for the charity of £1760.

My run of 69 miles from Carlisle to Newcastle is fast approaching and on my 48<sup>th</sup> Birthday, June 17<sup>th</sup>, I will be on the starting line. Training is going well but becoming increasingly wearing on the limbs. I have ran 600 miles in the last five months to get time on legs for the race. On 14<sup>th</sup> of May to test my pace and feeding strategy for the day I entered the Dukeries 40 mile race, running a total of 41 miles through the lovely countryside of Thoresby, Welbeck, Sherwood Forest and Cresswell Craggs. The event took 7.22 hours and the next day I was reasonably mobile so was happy with the event. Problem I have is lack of hill training as even this run, despite a few hills, is nothing like the run in June so am hoping my knees hold up.

Obviously as I am inflicting pain and wear and tear on my ageing body I want something in return. Good wishes and kind words are fine but obviously your hard earned cash is better. I have a superb luxury hamper available for whoever guesses the time I will complete my run in so please donate if you can. If you go onto my virgingiving page (type in steve hogg on virgingiving page) just put a time down in comments. Otherwise I'm quite happy to be accosted on the street and will take whatever you can give. Thanks once again for everyone's support and in the next Newsletter issue I will bore you all with a run down of the event.

Cheers,  
Steve Hogg '

---

### **HARBY PARISH CLERK – Caroline Nolan**

After many years, sadly Lydia has formally resigned as Clerk to Harby Parish Council. Lydia has been an asset to the Council and her hard work and dedication has been truly appreciated by both the village and the Council.

She will be missed, however we wish her every success for the future and in her role as assistant to the Clerk at Saxilby. Their gain is our loss!

We are pleased to welcome Caron Ballantyne to the role. Caron is also Clerk to Collingham Parish Council and will continue in her current role in addition.

Contact details for Caron will be advised in due course. In the meantime, we would like to wish her every success.

## HARBY HISTORY GROUP – Louise Herrick 703662

In March, guest speaker, Charles Parker gave a talk on the Royal Observer Corps of which he was a member in the 1960s. In 1914 when the UK's first air raid happened, by an airship, it was soon realised that the UK was ill equipped to deal with this. Within a couple of years, the organisation was founded to spot and report aircraft. There were no uniforms or proper supplies in the early years. The uniform initially consisted of a badge and an armband. Lincoln group started by meeting on the 3rd floor of the Post Office on Guildhall Street. Saxilby and Collingham also had groups and we saw slides showing these people in their roles. It started as mainly older men who didn't go to war and they enjoyed going to the pub and playing cards after a meeting and were all a bit disgruntled in 1941 when women joined. The women, however, were younger than these men and fared very well as they had quicker reactions. Charles talked us through the origins of the group and told us about the different types of ammo that could be used against the airships and aeroplanes. The ROC was disbanded in 1945 after the war but started up again when people got nervous about the Cold War. It finally ended in 1995.

In April we did something slightly different to normal and had a hands-on research meeting. Using sales particulars from an auction of 7 May 1863 and a Doddington Estate sale from 17 December 1943 we used old maps to assign field names to many of the fields in the parish of Harby with Swinethorpe. Many of the smaller 19th century fields have become larger fields to accommodate modern farming methods and now have numbers rather than names so the field names were transcribed to a pre-1860 map of the parish. We discovered fields with un-inspiring names like Ten Acres and Eight Acres, but many others with fascinating and enigmatic names .... what is now the Playing Fields, Bowls Club and Jubilee Pavilion was called The Buskins, the field where Almond Lodge now stands was called Gingerbread Close, others with names like Peas Willows, Eddish Close, Twigg Pits, Islams and Tuxford.

On 31 May we have guest speaker Derrick Watson who will talk to us about "Using DNA to research your Family Tree". Derrick has never visited the group before as a speaker so I hope we can provide him with a warm Harby welcome.

On 28 June we are planning a trip. We have a guided tour of the Arboretum in Lincoln booked. Please contact me if you would like to go as I'm currently taking names.

The 2<sup>nd</sup> edition of "The History of Harby in Nottinghamshire" is also now available for purchase. Please contact me if you'd like a copy for £12.50.

Meetings are on the last Wednesday of the month in the village hall lounge and unless specified start at 7:30 pm. £2 entry. Everyone is welcome. Please phone me if you want more information or even just a bit of encouragement to attend. New members welcome on a regular or casual basis.

### CANCER RESEARCH UK FUND RAISER

During the Easter holidays, Cerys Tucker and Alicia Hodson decided that they wanted to hold a cake sale to raise money for Cancer Research UK.

They raised a fabulous total of **£66.00!**

Thank you to everyone who made cakes, bought cakes and to those who donated on the day.

## **THE ALLOTMENTEERS – Carol Dallamore**

After a rather long spell of dry weather we finally got the rain and the right type of rain. A couple of heavy showers topped up the water butts then continuous softer rain to soak the soil and reach the roots. The wetter land is also easier to dig and weed which is just as well as John and Jane, our new Allotmenters, have recently joined us taking over Richard and Samantha's plot. We all wish them well in the new venture.

The Winter vegetables are now finished and the land prepared for planting out the greenhouse grown plants. The late frosts nipped a few things already growing in the seedbeds and delayed the planting out but now we are to be busy. Spare plants are set for sale in the 'Red Shed' at bargain prices, the proceeds then used for further seeds and compost. No matter how sparingly seed is set there is always plenty of healthy plants to pass on. Gardeners dislike wasting good plants and produce so keep an eye open for some interesting fruit and vegetables to grow on and produce for the table. No plot too small, tomatoes can be pot grown in a sheltered sunny spot and are lovely picked warm and tossed into a salad. Outdoor cucumbers and pumpkins can be set to meander among the border plants for interesting texture. For height at the back of the border plant Globe Artichokes, a giant thistle really and somewhat architectural in stature.

To add colour to a salad grow your own marigolds and nasturtiums. Pick the blooms, check for insects and then toss the petals into your mix. Courgette and marrow flowers can be picked, dipped in a light batter and quickly fried, use as a starter or side dish for the BBQ!

Have a go.

---

## **Harby Bowls Club by Carol Dallamore**

Our Season's matches are underway even though the weather has decided it is Winter again! League matches are rarely cancelled for unless they can be rearranged the points are given to the opposing club to the club cancelling. We have welcomed some new members who are already joining us at the matches and, like us, are hoping for those warm sunny afternoons with bees buzzing, a gentle breeze and the soft click of the woods clustering around the jack.

The old Club pavilion, used now for storage, is looking much better as we undertake some remedial work. We are also on the lookout for reusable carpet underlay to line the green's gutters, so if you have some don't bin it please give me a call instead.

We are planning a Summer Bowling Tournament for Sunday 25<sup>th</sup> June. Starting at 2pm there will be sandwiches, cake, strawberries and cream for both players and spectators. Entry is £3.50 for players and £2.50 for spectators. Bowlers from other clubs will be invited along to make a friendly, social and entertaining afternoon. Again there will be a chance for those interested to try their hand at bowling a wood or two.

See you there!

## Best Kept Village Competition 2017

Last year we came second in our category.

You can help us win this year by:

- Picking up any litter you see in the village
- Helping at the Harby Tidy Up on Sun. 4<sup>th</sup> June, meet at Harby Village Hall 10.30am

Thank you very much

## Harby Village Hall

7.00pm – 8.00pm

All welcome

## SAFER NEIGHBOURHOOD GROUP **MEETING**

Tuesday 13th June 2017  
7.30pm

Harby Village Hall

The Safer Neighbourhood Group is a collaboration between Nottinghamshire Police and the east Nottinghamshire villages located around the A1133 from Winthorpe to North Clifton. It focuses on tackling and solving community problems such as anti-social behaviour, criminal damage, fly-tipping and graffiti.

By working together each village benefits from the shared knowledge and experience of other villages as well as the input and support of our Police and Newark & Sherwood District Council.

All residents are welcome to attend and contribute to the meeting

## CHURCH NEWS FROM THORNEY WITH WIGSLEY – Anne Massey

**GOOD FRIDAY EASTER CRAFTS:** Our ACTIVITIES in church for all the family went really well. Eight children and young people came along and a good time was had by all, including adults! We hope to do something similar more often. Thank you to all who came and made it such an enjoyable time.

*Seven of the pupils from Queen Eleanor Primary attended the 'Messy Easter' activities over the Easter holidays at Thorney Church.*

*Jessica Parker, Joseph Hogg, Jackson Loates, Jude and Harry Ledger-Thompson, Lewis Oates and Ellie Orledge all had a fabulous, fun-packed 2 hours.*

*Activities included: producing a landscape collage ("very sticky!"); re-telling the Easter story and its importance; making decorations for an Easter Tree; colouring and eating hot cross buns!*

*Ellie enthused, "I enjoyed making chocolate cakes but enjoyed eating them more!"*

*Joseph added, "I really liked the Easter Garden."*

*All the children highly recommended the session and said they hoped it would be running again in the Summer! They send a massive 'thank you' to Anne and Anna - and to Mrs Loates too!*

### Voluntary Car Scheme

Co-ordinator : Clare Welfare [Tel:07717-17-88-00](tel:07717-17-88-00) email:[thwvcs@gmail.com](mailto:thwvcs@gmail.com)

The Car Scheme is now up and running and thanks to all of you who have already registered as either a volunteer driver or potential user. Our aim is to provide a community transport service in the villages of Thorney, Harby, Wigsley and surrounding villages (N & S Clifton and Spalford) to enable adult residents to access a range of activities during the day or evenings. In the past this service was restricted to provide transport to and from medical appointments but we are now keen that this is extended to include access for shopping trips or social and leisure activities as well. Living in a rural area means we are all heavily reliant on our own transport but what if it breaks down or is in for a repair for a couple of days? If you are registered as a member of our car scheme this gives you another possible transport option. **Registration is FREE and all you need to do is phone the Co-ordinator, Clare Welfare, and provide brief contact details so you can be registered- it couldn't be easier!**

Once registered, and if you want to book a journey all you need do is contact Clare on our new phone line- **07717-17-88-00** or send a text. You may prefer to email Clare on: [thwvcs@gmail.com](mailto:thwvcs@gmail.com) Journeys will be charged at 45p per mile with an additional charge of £2 per journey if the only driver available lives in a different village from yourself. This £2 charge is standard and acknowledges the mileage covered from the driver's home and back once the journey has been completed. Be aware that if you only require a one-way journey you may have to be charged for the return trip as well because the volunteer is making this journey on your behalf. Journeys will normally be in the local area of the named villages as well as Saxilby, Lincoln, Collingham, Gainsborough and Newark. Longer trips may be possible but this will be at the discretion of the Coordinator and depend on driver availability.

We are very pleased to say we currently have 9 drivers from Thorney, 4 from Harby and 1 from Spalford. It would be great if some more volunteers from N & S Clifton and Wigsley could join us too. The more volunteers we get means the less onerous it is likely to be for other volunteers. If you would be interested in becoming a volunteer driver even for one day a week please contact Clare for a no obligation chat. All our drivers will have undergone police checks and driver awareness training and their vehicle will have relevant insurance to cover any passengers. Drivers will also have a Car Scheme Identity badge which they will show before picking up a passenger.

**We hope you will be pleased to hear that this service is up and running. It is a service for our local community and we hope it will prove useful to many of our local residents.**

Reflection for June 2017.

Dear Friends,

Well spring has truly sprung in East Trent and I'm still new enough to be surprised by what flowers are coming up in the Rectory garden. I was delighted that Lily of the Valley flowered profusely for May 1<sup>st</sup> and I watched the Lilac tree carefully, waiting to see what colour flowers it would produce.

I'm really grateful to the generous people who have helped get the garden into shape and shared their own plants with us so that it's all beginning to look cared for.

A great surprise to us here is the soil. We've been used to heavy Nottingham Clay, so digging into light friable earth and knowing that new plants stand a chance of growing through it is a real pleasure. Another surprise is the amount of stones contained in that soil, I'm sure they multiply before my eyes. However, as Phil pointed out to me, we are living on top of a gravel bed, so what should I expect?

It's helpful to know our grounding or what we're built on isn't it? Our natural grounding shapes our landscape and influences our lifestyle. Our upbringing shapes who we are and can affect what we think is important and what we do. Our national life with all its colourful history shapes our lives and affects how we live.

This month we face a general election, almost a year after the referendum when the country elected to leave the European Union by a small majority.

We are living in a time of great change and we are part of those changes. If we want to change our garden, it's good to know what the garden is built on and when we play our part in changing a nation, it's good to think about what the nation is built on.

I'd like us to remember the Christian foundations of our great institutions of health care, welfare and education. I'd like us to remember the foundation of Biblical teaching which tells us to welcome and care for strangers and refugees, to provide for the poor, to pay proper wages and which warns against building up personal wealth at the expense of others. I'd like us to remember the teachings of Jesus when he said that we'd be judged on whether or not we feed the hungry, give water to the thirsty, welcome strangers, take care of the sick and visit prisoners.

I'd also like us to remember the men and women who argued, fought and died so that now all adults in England are entitled to vote and so I'd like to encourage everyone to make sure you do vote on June 8<sup>th</sup>.

Whatever the result, think about the foundations of our life, what we need to keep hold of and what we may need to let go of and think about the foundations we are laying for the future.

God bless you all.

*Revd Mandy.*
