Assets of Community

Value:- The Parish Council had applied to West Northants Council to have the Bulls Head added to the Assets of Community Value list. Mr. Mohsen made several strong objections to this nomination.
It was proposed (SH) and seconded (LS) that this nomination be cancelled. The clerk to contact WNC.

Any Other

Business:- 1) Cllr. Handy reported to the meeting that someone from YourLocale had visited sites in the village without notifying members of the Neighbourhood Plan committee or the parish council. This had caused much confusion and unpleasantness to the owners of a site. Cllr. Sanderson to contact the person concerned and ask for an apology.

2) A further letter was received from a resident regarding car charging points. The clerk to make the following reply:-

Whilst the Parish Council sympathises with the lack of provision for charging points for residents without off road parking, there are so many considerations to take into account. The whole issue of providing Electric Vehicle Charging Points is fraught with difficulty:

- 1) *Providing sufficient charging points in sufficient locations to be of any practical use*
- 2) *Monitoring, controlling and allocating use*
- 3) *Cost of installation*
- 4) *Emerging technology*

The Parish Council will continue to liaise with the Unitary Authority and hope that a solution can be found in the near future.

Meeting closed at 8.45pm
