Dear Keith,

I am sorry to receive your resignation from the Town Council.

I cannot accept responsibility for your feeling that you need to resign from the Council, it is your personal choice to do so, these have been difficult times for us all and some have reacted or coped better than others.

I have never belittled you or any other councillor, I always act in a respectful way towards everyone.

I am very sad to lose you as a Councillor and that it has not lived up to your expectations. Public life in local government can be the biggest challenge for all of who remain Councillors.

Please take care of yourself, all the very best for the future.

Kind regards

Jill

Dear Jill,

It is with deep regret and heavy heart that I have decided to resign as a Swaffham Town Councillor.

The reason lies squarely at your feet. I will no longer tolerate the contempt that you show me or the way you constantly belittle me in meetings. I think that perhaps before you accuse others of bullying you should look with yourself.

Kind regards,

Councillor Keith Sandle BSc, Dip Comp
