March 2017

KCC CONSULTATIONS - MANSTON and PARKWAY STATION

For those of you who are not tempted to plough through the minutes of the Parish Council meetings, it is perhaps worth highlighting two key messages:

1 Villagers are reminded to repond to the Draft Local Plan by Friday 17 March.

2 The presentation that took place in the village was attended by more people from Cliffsend and Sandwich than from Acol.

Response to the consultation can be made by Sunday 19 March and an extention to Columbus Avenue needs to be emphasised, in order to accommodate the obvious increase in traffic.

"Cllrs Crow-Brown and Gregory advised the meeting that the extension has become a priority for Kent Highways and the more pressure that can be applied by villagers, the better."

The Proposed Revisions to the Local Plan as they relate to Manston Airport will undoubtedly generate much opposition from well established organisations and lobby groups. In addition there is a Secretary of State Enquiry to be held shortly. Furthermore, in due course the Government will consider the strategic case for retaining Manston as an operational airport, which will depend on the viability of the plans put forward by Riveroak and other interested Airport operators. However there is an opportunity to object to the change of use proposed in the draft revised Local Plan, and we should none of us complain of the outcome if we fail to register our views at the appropriate time.

The Parkway Station, however, while it may benefit Thanet as a whole (in particular it may prove invaluable in 2020, when the Open Golf returns to Royal St Georges), will impact upon Acol and the lives of every resident. Such a threat needs everyone to respond individually, to express their concerns about the proposed access routes from the Northern coastal strip (Margate, Westgate, Birchington) to Cliffesend.

KCC needs to be reminded that road access needs improving, by way of EXTENDING COLUMBUS AVENUE.

ACOL PARISH COUNCIL

Draft Minutes of the Acol Parish Council meeting held at 2pm on Tuesday 28th February 2017 in the Village Hall, Acol.

Present: Councillors Miss Bransfield (Chairman), D Hayfield, J Inchley and Mrs. I Osborne

Also Present: Cllrs Crow-Brown & Gregory (TDC) and Roy Wade (Clerk to the Council)

66. APOLOGIES FOR ABSENCE

Apologies were received from Cllrs. Hall (APC), Latchford (KCC), Community Warden Gander and PCSO Raisbeck.

67. MINUTES

RESOLVED: That the minutes of the Meeting held on 12th January 2017, subject to an amendment to the minute number 64, be approved and signed by the Chairman.

68. DECLARATIONS OF INTEREST

No declarations of interest were made.

69. REPORT OF THE POLICE AND COMMUNITY WARDENS

No officers were in attendance to report but the Chairman read the report of PCSO Raisbeck setting out that 156 phone calls had been logged from the villages but none related to Acol.

70. CHAIRMAN'S REPORT

The Chairman reported upon:

BT Kiosk

Emails and letters sent to Iain Livingstone, TDC Planning, but no replies received.

An article appeared in 15 February's Thanet Extra, announcing TDC's intention to retain 2 kiosks, in Acol and Sarre. An attempt to contact Mr Livingstone by phone failed, as he is on holiday. No one else knows anything, so he will be contacted next week.

2 Church Cottages

Emails and letters were also sent to Mr Livingstone to ask why Acol Parish Council had not been notified of the planning application for 2 Church Cottages. He will be asked next week.

Update on Manston

Villagers are reminded to repond to the Draft Local Plan by Friday 17 March.

Update on Parkway Station Consultation

The presentation that took place in the village was attended by more people from Cliffsend and Sandwich than from Acol.

Response to the consultation can be made by Sunday 19 March and an extension to Columbus Avenue needs to be emphasised, in order to accommodate the obvious increase in traffic.

Cllrs Crow-Brown and Gregory advised the meeting that the extension has become a priority for Kent Highways and the more pressure that can be applied by villagers, the better.

Dog waste bin

Although emails have been sent to the appropriate TDC department and no replies received, Councillors and the Clerk pointed out that TDC are adamant there is no proper place to stop their vehicle for clearing the bin. It was agreed that the pull in allowed by Quex Estates, adjacent to the stile, would be adequate, particularly as that part of Acol Hill has clear vision for traffic to pass. TDC will be approached again, with a further request that a dog waste bin be installed by the stile.

Members noted that Cllrs Crow-Brown and Gregory would discuss with TDC a suitable siting for the bins

Highways

Highways have not responded to our earlier emails, forwarded by Paul Valek, and two more repairs are now required to damaged drains. Photos will be sent to them in the next few days.

71. RECREATION GROUND.

Councillor Hayfield reported that Bob Lawrence and Norman Chidwick had kindly repaired the fence and the Council recorded its appreciation for their help. Enquiries are in progress for acquiring bark for the play area.

72. CRISPE ROAD – SOUTHERN WATER AUTHORITY

A response has now been received from CCWater that agrees with Southern Water. They are satisfied that everything is being done in conjunction with UK Power Networks. Due to the many additional buildings appearing on the Manston Industrial Estate, however, it is essential that a dedicated sewage pumping station be installed there. This matter will be taken to the next step in the Complaints Procedure.

A new company, Business Stream, will be taking over the commercial side of Southern Water's business, but only as a contact. I shall write to ask them how this will impact upon our contact with SWater.

73. ACOL PARISH COUNCIL – WEB SITE

At the recent meeting of the Thanet Area Committee for the Kent Association of Local Councils, a KALC representative had recommended a private company to set up a Parish Council website. The Chairman and Clerk reported upon discussions with the KCC and the KALC on improvements that could be undertaken to make the Parish Council's web site more user friendly. The Chairman reported that she was investigating the services offered by the private company, Hugo Fox. In response to Cllr. Gregory the Clerk was asked to discuss possible future arrangements with Paul Drake, Clerk to St Nicholas at Wade Parish Council.

75. LITTER PICKING INITIATIVE

The Chairman reported that Richard Steel was not able to attend the meeting but had advised her that he was prepared to produce and distribute leaflets around the Village seeking support for the initiative. There also followed a discussion on what equipment would be needed, such as high-viz jackets, litter-picking sticks and black sacks. Members raised various issues, such as insurance cover, and the Clerk was asked to discuss with Cllr. John Quittenden, who had set up the Minster initiative and report back to Council.

76. CLERK'S REPORT

The Clerk reported that he was discussing with TDC the provision of bark for play area and would report further.

77. FINANCIAL MATTERS - PAYMENTS

RESOLVED: That (A) That the following payments be authorised

563	R Wade 1/4 Salary	£440.00
564	HMRC – PAYE	110.00

And;

(B) the bank balance at 1 February 2017 was £9637.05 be noted.

78. REPORTS OF COUNCILLORS CROW-BROWN & GREGORY (TDC)

Cllr Crow-Brown: (i) TDC Savings – reported that economies and savings had been made; (ii) Fly tipping – was a growing problem and TDC had been given the powers to fine people who fly tipped up to £400; and (iii) he had attended the opening of the Princess of Wales reserves ceremony.

Cllr. Gregory: (i) Manston Fire School – The Ministry of Defence was being criticised for the black smoke resulting from the exercises and were looking at whether the Fire School should be re-located; (ii) Regional Authority – A meeting would be held on 22 March to discuss further the possible creation of a regional authority in East Kent; and (iii) TDC Budget 2017-18 - the budget had been agreed but concerns were still being discussed at the proposed level of car parking charges.

79. MATTERS FOR REPORT BY MEMBERS

- (i) Parish Assembly meeting at 6 pm on 24th April 2017; and
