

## **LITTLE MILTON W.I.**

**We're not all Jam and Jerusalem,  
We're not all Calendar Girls,  
We strike a happy medium  
We're women of the world.**

**We're strong on resolutions  
And when our work is done  
We laugh and joke, we dance, we sing,  
We like to have some fun**

**To our world-wide institution  
We welcome everyone  
Rich or poor, old or young,  
Just simply come along.**
