No update

c) Purchase of Salt bin

The bin has been ordered but it still has not been delivered. The bin at the Blue Door is completely empty and it was suggested that someone may have used it on their property. **Action:** The Clerk is to email Dorset Council for an update and ask when the other bins will also be refilled.

22/23/087 Telephone Kiosk update

There has been a delay in the delivery of the defibrillator as there has been a shortage of microchips which meant that the internal workings had to be redesigned. The G5 should be coming out of the manufacturers from June. It was discussed whether to wait for the G5 or to choose an alternative defibrillator. It was agreed to check with the First Responders the difference in performance and cost before a decision is made. It would however be beneficial to have the G5 as it is the same model as the one located at the Old Garage.
