Denmead Horticultural Society

Ever thought that Tuesday nights could do with something extra?

Are you interested in listening to a wide variety of talks?

Would you like to meet likeminded people and have a chat over a cup of tea?

We may have the opportunity for you!

The Denmead Horticultural Society meets once a month (excluding August and January) at 7:30pm in the All Saints Church Hall. We discuss any upcoming events and then are entertained by a guest speaker on a wide range of gardening and wildlife topics – see this year's program on the back page

We also have a few visits to gardens and a Christmas social. In addition to this Spring Show we also run the Village Summer Show in August and the Pumpkin Show in October.

The cost of joining the Society is £12 a year, but if you feel you don't want to commit to this and only want to attend the occasional talk, we charge £2 for visitors or guests on the night.

We are a friendly group who meet up once a month, some of whom like gardening, some are not as keen – it doesn't matter.

If you're not sure and would like to know more you can contact any of the committee members via the Contact form on our website:

PRIZES:	ADULT CLASSES	1 st - £1	2 nd – 70p	
	JUNIOR CLASSES	1 st - £1	2 nd – 70p	3 rd – 50p

Ingredients

For the cake:

2 limes, zest only, grated
1 tbsp lime juice
175g/6oz self-raising flour, sifted
1 level tsp baking powder
175g/6oz butter, at room temperature
175g/6oz caster sugar
3 eggs

For the lime curd:

2 limes, grated zest and juice
75g/3oz caster sugar
50g/2oz unsalted butter
2 eggs

For the icing:

2 limes, zest only
50g/2oz sifted icing sugar
2-3 tsp lime juice

Method

- 1 Grease two 18cm/7in sandwich tins 4cm/1½in deep, lined with baking parchment. Preheat the oven to 170C/150 Fan/325F/Gas 3.
- 2 Measure all the cake ingredients into a mixing bowl and beat until you have a smooth, creamy consistency or use the creaming method if preferred. Divide the mixture evenly between the two tins and bake them on the centre shelf of the oven for about 35 minutes or until the centres feel springy when lightly touched with a little finger.
- 3 While the cakes are cooking, make the lime curd. Place the sugar and grated lime zest in a bowl, whisk the lime juice together with the eggs, then pour this over the sugar. Add the butter cut into little pieces and place the bowl over a pan of barely simmering water. Stir until thickened - about 20 minutes.
- 4 When the cakes are cooked, remove them from the oven and after about 30 seconds turn them out on to a wire rack. When they are absolutely cold - and not before - carefully cut each one horizontally into two using a sharp serrated knife. Now spread the curd thickly to sandwich the sponges together making four layers.
- 5 For the icing, begin by removing the zest from the limes - use a zester for long, curly strips or pare with a peeler and cut into shreds. Sift the icing sugar into a bowl and gradually stir in the lime juice until you have a soft, runny consistency.
- 6 Allow the icing to stand for 5 minutes before spreading it on top of the cake with a knife, almost to the edges, and don't worry if it runs a little down the sides of the cake. Then scatter the lime zest over the top and leave it for the icing to firm up.
